Everyone knows that there are 12 houses in Vedic astrology, but not many know that they also make up four important quadrants in your horoscope chart. These 12 houses fall into three categories depending on the location of the house while cycling around all twelve houses. Names: Corner House Succedent House Cadent HouseOut of these houses, Corner House is the most powerful followed by Succedent and Cadent House, i.e. The Corner House of the Succedent House of the Cadent HousesAngular HousesThey are one of the most important houses and can greatly affect the horoscope of a person. With each earth's rotation, both the Sun and the planet are in homes for two hours, i.e. there are four important moments in each day: Sunrise (Rising) - First House Noon (Mid-Sky) - Fourth House Sunset (Descendant) - Seventh House Midnight (Lower Sky) - Tenth HouseAll these houses are collectively known as Corner Houses. Since each planet has different characteristics, it can affect your corner house accordingly. It also revolves around your mental world, emotional balance, and can predict a lot about your faith in God, religion and other spiritual issues. It covers both the positive and negative aspects of the partnership, including lawsuits, divorce, etc., along with conversations about your purpose in life. Successfully home with your horoscope charts, Second, Fifth, Eighth and Eleventh homes are known as successful homes. They are stable and fixed houses and dictate resources, wealth that you will attract in life. This home means romance and sexual relationships, as well as details with sports, games and your creativity. Cadent HousesThis set includes the third, sixth, ninth and twelfth home of your jyothisham. These houses are under the rule of the muted signs of the zodiac, i.e. Gemini, Virgo, Sagittarius, and Pisces. In addition to highlighting your activities, it also monitors your diet and health. Some astrologers even associate this house with your past life affairs, i.e. Karma. Welcome to our free online Telugu Jatakam (Jathakam, జాతకం) service. Here you can check your horoscope in Telugu.
