There are many types of singing styles that people love. Examples include exciting rock music, gentle ballad songs from Europe and America, or K-pop genres from Korea. In it, the K-pop genre has a great young fan community; Beautiful choreography of superstars presents songs. Pledis Entertainment, one of the 10 largest entertainment companies in Korea, joined Dalcomsoft, Inc. and released its own game: SuperStar PLEDIS. Probably, a Kpop fan will not be able to ignore this game. Just listen to music from my favorite singers, and have fun no more! Make your favorite artist the best K-POP star with SUPERSTAR PLEDIS! SuperStar PLEDIS is a music game where players become a musician, play musical pieces for idols and they will sing belong. What does that mean? That is, you will play music while your idol sings a song, and when you stop playing music, the singers will stop immediately. Have you ever played the piano? Learn the beautiful dancing game mechanism of SuperStar PLEDIS similar to piano titles. At each stage, you'll choose songs to play. There are discrete notes on the screen and continuously drift to the bottom. You need to click these notes to create music and score quickly. Notes of different shapes; It can be round dots or chords, there are many notes related to each other. If it's a note, you just need to touch it, but if it's a long bar, then you need to touch and move your finger along the chord line. If you miss any note, the game will stop and you have to play on the new screen again. Become a professional singer The longer you play music, the higher combo points you get. If you have a high score, you will have a chance to get a lot of cards. These cards are your favorite superstars from after school, Orange Caramel, NU'EST, Hello Venus, SEVENTEEN, Pristin,... and more. If you have maps of these singers, you also have your new songs. In addition, if you have a high score, you also raise your ranking in the leaderboard, along with other players around the world. Up to 15 tournaments are organized each week, attracting many people. Are you confident in your nimble hands? Join and win PvP with other players Also, in every screen of the game, you can customize customize With 3 levels: easy, normal and difficult. In it, when playing, the melody of the song will be slow, and the notes are quite simple. But over time, when you play longer, the notes are hard to appear, while the melody becomes faster, more relevant, requiring you to have sleight of hand, and eye observation. This difficulty will increase quickly or slowly, depending on the level you choose. Summary Music is an important thing in our lives. After studying and hard work, participating in SuperStar PLEDIS and entertainment with idols from Korea, nothing is more beautiful. SuperStar PLEDIS brings together 9 bands and more than 40 exciting Kpop songs for your enjoyment.
