Download Guests can't request updates! Implosion - Never Lose Hope - a game in the genre of slashers for Android in a futuristic setting. The plot takes the user into a dystopian future in which humanity faces the threat of alien monsters. People are not able to fight on an equal footing with the enemy, so they decide to use against foreign invaders an advanced exoskeleton, packed with a variety of weapons and gadgets. The player is invited to wear one of these costumes. With sharpened blades, you need to crush opponents. In addition to conventional attacks, armor has special attacks that are highly effective. The game is endowed with excellent graphics, the quality of which is comparable to the console. Locations, exoskeleton and monsters are drawn to the smallest detail. Visual allows you to plunge into the atmosphere of the battles of the future. And the location of the cameras and convenient control help to enjoy the gameplay. Implosion - Never Lose Hope a first - a class slasher game for mobile devices, giving unforgettable emotions from the gameplay. It will appeal to all fans of this subgenre of action games. Explosion - Never Lose Hope (Full) (MOD, Unlimited Money) - This game tells a story in itself at the end of the world, after twenty years of war in the global land of voyne. People are not so much, as the human race is on the verge of extinction. And then what no one expected happened, the threat of the extinction of humanity became even greater with the emergence of a new enemy of the most powerful and powerful. Izvestia, better known as Xade, attacks the earth with powerful weapons of human beings. V game has really great graphics and voice. The special effects are incredibly beautiful.
