The game features - a built-in tool in the Papa Louie universe, designing custom characters with hundreds of items, clothes, hairstyles and more - creating scenes with your pals. Choose from multiple backgrounds, including outdoor space layouts and indoor scenes- give props to your friends in your custom scenes, add word bubbles and captions to tell stories- get customers pack to add poseable customers, new backgrounds and other themed props and clothes you are fashionable? Do you dream of becoming a famous designer? Do you love the perfect combination of colors combined with new and unique styles of clothing? Come with Papa Louie Pals, a very exciting fashion game for flipline studio publishers, it's time for you to freely show your personality and fashion sense, then download and see the game's specials now! Building Pals is just the beginning! One exciting thing about playing this game is - unlike other fashion games - instead of matching clothes, skirts, shoes, etc. that are provided to beautiful and hot girls, you will be a special designer for ... interesting pals, right? Cute and cute them. First, you can create your own Pal, not a template that contains You can customize the shape of your body, adjust the color of your skin, face, hairstyle to your posture. You can also change the look of your face to suit pal situations and gestures. Do you want your character to be male or female, fat or thin, light or dark skin, freckles or not, curly or long hair, long or short hair, laughing or angry? There are several options for you, and from there you can create hundreds of types of characters as you need. However, that's not all. After you have created the Pal with the right shape, you will start designing different fashion styles for it. From T-shirts, shirts, pants, shoes, hats, skirts, ... Each type has hundreds of different styles. You can choose freely from any style inventory you like: Without stopping, having a game gives you the opportunity to be more creative than that. In addition to choosing a style, you can choose the color you want. A palette with more than 50 colors to choose from. After creating friends and naming them, you can instantly put your character into the scene. Freedom to choose backgrounds and actions for characters, you can also create a simple conversation sequence in the frame between your character and another character. From a designer, you become a fun comic book creator. A variety of accessories, such as cakes, gift bags, or phones, will help you a lot. It's time to write your own story and share it with your friends! The graphics and summary game have simple 2D graphics, different colors and frames are very bright, giving youth and comfort to the players. The content of the game is designed in detail. The meticulous and realistic frame allows for a more beautiful birth 20/10/2014. You can become a fashion designer and become a cartoon artist. What else is there? Let your creativity shine in Papa Louie Pals, where you create characters and stories in father Louis's world! Design and save your own unique collection of pals and use them to create scenes and stories to share. Create tons of PALS now it's easier than ever to design your own character!
