Could you look at putting up psalms and Kidase Mariam, I noticed you have a mezmure dawit on the tigregra version, it would be great if you can make one in Amharic, and also if you add Mehalye mehaly (song songs) on the same app as psalms book, because the song of the song is read along with the psalms in prayer. You have ended up benefiting your soul, ours and our children by having these prayer books readily available on our mobile devices; because the gay generation seems to be moving away from hard-copy books and their time to keep our favorite books digital.
