Slugterra: Slug It Out! - the puzzle that served as the basis of the series of the same name. The main character is Eli Shane, unlike the evil plans of Dr. Black. To defeat the enemy, the user needs to collect bullets and turn them into a weapon capable of destroying an army of villains. Each bullet has unique abilities, so the player must take them into account and use against hordes of enemies. Interesting gameplay is complemented by colorful graphics and great music. Epic Story Interactive Android 4.4 version: 3.3.2 \$0 Slugterra: Slug It Out 2 (MOD, Unlimited Money) - game based on the famous cartoon Slugterra! You hit a distant planet, and you will need to fight against slugs, the main gameplay is made in the classic style for the genre, passing level after level, combining the same elements three in a row and more. As you pass, you will get access to new places, objects and elements, and will communicate with different characters gradually familiarize themselves with the plot. Updated to 3.3.2! Andro-Mod Games Mod Slugterra: Slug it Out 2 (MOD, Free Purchases) Slugterra: Slug It Out 2 - an experimental military-tactical thriller, combining elements of the puzzle Three in a row, the concept of economic strategy and the scale of urban modeling. Developers from Epic Story Interactive offer to develop a virtual base, grow monsters, and then - attack opponents in PvE or PvP modes, crossing colorful figures on the playing field in time. It is not known how the confrontations end, but joining the battle in Sludyag: Slug It Out 2 is necessary right now - the game is already waiting for those who are ready for quick discoveries and risky decisions! Slugterra: Slug it! (MOD Money) is a rather interesting logical project, offering players to become collectors of funny creatures. In fact, the gameplay is extremely simple and does not impose complex tasks. Your goal is to connect the same elements and thereby defeat opponents. The characters drawn strongly resemble the legendary world of Jurassic Alive. Fights take place in PvP format, during which you need to connect the elements so that your blaster can release a powerful charge. The app has a variety of materials that can be unlocked by installing a hacked version. Characteristics: cool drawn visualization; variety of tournaments; recordings and promotions; more than ten types of creatures. Installation instructions: download .apk file; Set .apk; (If you don't have access to the .apk file installation from unknown sites, go to Settings for a security check option and click OK on an operational message); Download data for the game (zip archive); Unpack Path data: /sdcard/android/obb/com.nerdcorps.slugitout/ run the game. Slugterra: Slug It Out 2 is the second version of the exciting and fascinating Slagtra from DHX DHX The studio is developing interactive games for Android, which was released for free on Google Play and has been downloaded more than 50,000 times by Android users.
