## Illinois concealed carry test questions

August 5, 2015 by Illinois Gun Positive (answered below) These questions all apply to a person with an Illinois license to carry 1) you can shoot someone only if their life is in danger. (True/Incorrect) 2) You can walk around the parking lot of the city court building while carrying hidden. (TRUE) (FALSE) 3) You can carry only one concealed firearm at a time. (TRUE) (FALSE) 4) Your gun can be on the seat next to you in your car and it doesn't have to be in holster or bag until it's hidden from sight. (TRUE) (FALSE) 5) You must unload your gun before placing it in the trunk of your car if you are banned in the parking lot. (TRUE) (FALSE) 6) If you are at a public event, like a festival, you may not carry hidden. (TRUE) (FALSE) 7) Your employer can arrest you for having a gun in your car in the company parking lot. (TRUE) (FALSE) 8) Each state adjacent to Illinois recognizes its Illinois license to carry. (TRUE) (FALSE) Replies: 1) Incorrect. The law states that you may use 'lethal force' if you feel you are in reasonable fear of great physical harm, as well as to protect another person - not just yourself. 2) That's right. While you may not carry into a court building, the parking area and real property are not prohibited. 3) Incorrect. The law does not set any limits on how many guns you might carry: only that they should be concealed and they should be handguns. 4) That's right. The gun may be 'in or about your person' but if you leave it in the car, it should then be locked in a container or container or car. 5) Incorrect. The rule change went into effect in July 2015 so you are no longer required to evacuate before getting out of the vehicle. However, you have to go directly to the trunk to secure firearms. 6) True/incorrect. While most festivals' special events are allowed, not all of them are. Some small towns will even block the streets for a festival, but there are no licensing issues and that means it is legal to carry it there. Consult the police department or town hall to make sure. 7) Incorrect. you can get fired , but its not a crime . Illinois has a safe harbor material, which allows you to keep your gun in your car until it is locked in a container or container or car. The container can be a glove box or center console. 8) That's right. You can carry in 23 other states, including all those Illinois borders, with your Illinois license to carry, but you must follow your rules. If you liked this, you can also carry a #2 for hidden Illinois or a #1 for hidden Illinois. Joining the NRA and receiving a discount of \$10 June 27, 2015 by Illinois Gun Pros Answer Under 1) in Illinois you have every law enforcement officer you get in touch with that you are carrying (true/incorrect) 2) you can walk (or ride) through a park while carrying on for as long as on / The trail you go on through the park and keeps going (true/false) 3) You can carry on trails and paths in Illinois State Parks (true/incorrect) 4) past the third offense while drunk carrying, there is no misdemeanor penalty under the Concealed Firearms Carry Act (true/false) 5) licenses that leaves your gun in your vehicle must first unload it (true/false) 6) The license can leave your gun in your vehicle, but the gun must walk in a container of some kind (such as a glove box or center console) (true/incorrect) 7) the license can carry your gun in your vehicle without locking the vehicle (true/incorrect) 8) you can walk on the sidewalk on the college/campus while carrying (true/incorrect) answer 1) incorrectly. Unless you are asked if you are carrying, you are not under any legal obligation to inform a law enforcement officer. However, it's best to do so. 2) That's right. As long as you 'cross' a park on a trail that is not merely in the park, but the trail just passes through the park. 3) That's right. However, transportation in buildings is prohibited. 4) That's right. All punishments are criminals, aside from the third offense carrying while intoxicated. 5) Incorrect. There is nothing in the law that requires the discharge of guns. 6) That's true. Obviously the gun doesn't have to be in a container while you're with it (just hiding), but when you leave the vehicle, it should be in some container. Glove boxes and center consoles qualify, but portable locked/secure boxes will be better. 7) That's right. While most people lock their cars, the car doesn't have to lock until the container is locked. 8) That's right. It's a tricky one, as most colleges across town have them in broad. You can always walk on a public right path however, if the sidewalk belongs to the college (like walking to any building), then you're not in the public right of the way and you're breaking the law.
