Seat belts are a major complement to passenger seat belts to help reduce restraint systems. The overall time for inflation and deflation is so fast that most passengers don't know that airbags are deployed until they see them lying in front of them. The front airbags cannot provide any significant protection and are not designed to be deployed in such collisions. As you can probably tell by name, we specialize in owner's guide! We spend our time colecting up some of the rare owner guides around in an attempt to make them as easy to find as possible. If you are looking for an owner's guide for a Toyota Prius or Honda Accord, then you have come to the right place. © 1996-2014, Amazon.com, Inc. or its subsidiaries Get it in front of 160 million buyers.
