Accordingly, the combat characteristics of the character increase, which allows you to defeat the enemy. Fighting in the deck of heroes: Legacy is pretty simple and automatic. To do this, you need to place the chosen card on the field, after which the fight will begin. goes to those who bring the opponent to zero health or destroys all his cards. The game is interesting and unusual, so it will be a lot of fun. Legacy of deck deck heroes More Maud Apc? The game system on Deck Heroes Legacy is a little easier than other similar games. You just choose a card that will participate in the fight (you can only take two cards) and then place it where you think is most appropriate. Once placed, the card automatically attacks the card in front of it, as well as the opponents' cards. There are over 100 types of cards available, each of the four main factions of the Heritage Heroes deck. Each card has not only its own health and attack value, but also special powers that can be activated once per turn. Your main character will also have special powers that will be active from time to time. Deck Heroes Legacy is a duel game on a collector's card, which is easy to play. You don't need many strategies like other similar games, even some players find this game very simple.
