Posted by: Free Premium Pass Published on: 10:34:00 Mortal Kombat X APK file version 1.2.1 is now available for download. The game has been updated on Google Play Store brings a new challenging mode to play on Android phone and tablet. Now you can fight through Challenge first Mortal Kombat X mode and win Thunder God Raiden. Fixes have been implemented to make sure you receive rewards during the Challenge. Skip to the bottom of this article for a direct link to the new Mortal Kombat X APK. Mortal Kombat X is a combat video game developed by Warner Bros. International Enterprises. The game allows you to assemble an elite team of Mortal Kombat warriors and prove yourself on the biggest battle tournament on Earth. You can create your own team of Mortal Kombat fighters and lead them into battle to gain experience, new special attacks, and powerful artifacts from your mobile device. The latest update has really improved this game. Faster loading times, much improved graphics and adding a challenge mode. Almost identical to the console versions and it doesn't take forever to load up the gameplay anymore. The gameplay gives players more blood, more violence, more characters and more x-ray finishing special moves. Take on the challenge and defeat your enemies. If you play this, you'll know it's kind of better than injustice and WWE Immortals.Mortal Kombat X is available for iOS, Android, Playstation 4 and PC. For the Android platform, this fighting game is available for free to play with in-app purchases offers to buy items. Catch the latest free version now on the Play Store or try the game for the first time.
