Casio hr-8tm manual

Feb 11 on 2/11/19 at 9:47AM Thank you very much. I have been sitting here feeling like an idiot when I try to reload casio additm machine paper rolls. 10 Dec on 12/10/18 at 7:20PM Calculator gave me the message P. I took the paper out and returned it but there was no action and it seemed dead. I hit the reset button ... Still dead. Advice? May 16th on 16/5/17 at 12:02 am I was hoping for instructions on the issue of shooting popup errors, but all I got was photos of various calculators made. But no instructions. 22 Aug at 22/8/16 at 08:07 Am Looking for ways to replace the tape and what type of tape is required Quantity greater than 0 that is currently in stock.
