Read more Rio's dining scene became much more sophisticated than the churrascarias (with roast meat) and low-key botecos (bars with food) for which it was once known. Now, world-class chefs are creating inspirational fusion cuisine with Brazilian influences, making for some of the most unexpected and best restaurants in Rio de Janeiro. Real foodies shouldn't miss Oro, which features an extensive tasting menu from the award-winning Carioca chef, Felipe Bronze. The city's Japanese dining scene is also worth sampling — try Sushi Leblon if you're willing to wait in line, or Yume, which is Madonna's top choice. When you're ready for a classic, Porcão is a Rio de Janeiro restaurant that offers a carnival for carnivore-beach-tanned waiters slicing skewers to skewed beef,, or poultry until you turn a coaster that says stop. Supplementing your protein bonanza helps yourself to the salad bar, which contains hearts of palm, sushi and ceviche galore. QR codes (Quick Response codes) are now the norm, and the city has found a neat way to blend modern technology with the traditional environment. Rio de Janeiro has begun including QR codes as mosaics within the trademark black and white sidewalks that are across the city. Two codes have been installed at Arpoador, a landmark rock found at Ipanema beach, which is known for surfing and spectacular views of the beach and city. The beach is also known for being dog-friendly too. Tourists will find embedded QR codes throughout Rio de Janeiro offering fun facts and maps across the city The QR codes provide tourist information about the beach in three languages, Portuguese, Spanish and English. Along with a map of the area people can read from their smartphones, people scanning the codes will learn of the beach's nickname as the and that the name Arpoador stems from the whales used harpoon whales from shore. Rio has plans to install 30 QR codes on different websites that should give enough access to tourists while retaining the historical designs found there. It will certainly prove useful for people who will visit during the run-up to the 2016 Olympics.source: The Telegraph SUBSCRIBES TO OUR NEWSLETTER! Rio de Janeiro is a city of icons. From the statue of Christ the Savior welcoming the world with arms open to the beaches brought to life by festive cariocas (that's what Rio locals are called with pride), there's plenty to see in this beautiful city. You may already be familiar with some of the most popular attractions, but there are also new attractions and mysterious places worth visiting. Here are the highlights from Rio. The Selaron Steps is a set of steps covered in mosaics and painted tiles. They set a colorful background that is not only mesmerizing, but also the perfect backdrop for a group photo. What began as small renovation by Chilean artist Jorge Selaron to beautify the dilapidated steps in front of his home soon became obsessed. The mosaics and tiles spread to all the steps, as well as the walls. Brightly coloured ceramic tiles and mirrors pay tribute to the colors of the Brazilian flag and famous artists. The steps are located on the border of bohemian neighborhoods of Lapa Santa Teresa and running from Joaquim Silva Street to Pinto Martins Street. Completed in 1931, the statue of Christ the Savior overlooks Rio de Janeiro of Corcovado Mountain and is invariably Rio's most famous attraction. Not only is the titanic statue amazing to see nearby, the panoramic views of the city from Corcovado Mountain are stunning. Many attractions companies will include a trip to Christ the Savior, but you can also catch a taxi to Corvocado and take a train up to the summit. Known from the Bossa Nova Hit The Girl from Ipanema, Ipanema Beach is one of Rio's many vibrant beaches lined with rental beach chairs and stands selling coconut water. In the Ipanema area, many upscale hotels and world-class restaurants find, but the real action happens on the sand where you'll stumble across people who are volleyball, football and a bit of At night you will be treated to a spectacular display of colour and silhouettes while the sun sets behind the mountains that are often referred to as the two brothers. Named after his resemblance to a Portuguese dessert, Sugarloaf Mountain is one of the most popular places to go for a bird's-eye view of Rio de Janeiro. Take a cable car all the way up to the top, where you can enjoy not only panoramic views of the city from the bay, but also walk the trails at the top of the mountain or grab some lunch at the mountain-top café. The Museum of Tomorrow welcomes the world to Rio by inviting visitors to think about both the history and future of the planet. Dedicated to sustainability, the science museum features exhibitions on astrology, geology, and anthropology, as well as the effect of civilization on the environment. The futuristic building located on Maua Pier attracts visitors from all over the world and invites them to see and plan a better future. No book lover can leave Rio de Janeiro without a visit to one of the most awesome libraries in the world. Surrounded on all sides by three stories of books, the Royal Portuguese Reading Room houses the largest collection of Portuguese books outside Portugal. The library also has statues, art, maps and is covered by a stained-glass dome that will make you feel like you've stepped into a cathedral of books. A hidden gem, even among locals, the Royal Portuguese Reading Room is free and open to the public between 9am .m. and 6am .m. There are plenty of places to find good views in a city surrounded by mountains, but if you want to avoid crowds and high-ticket prices, then Mirante Dona Marta is the best vantage point in Rio. Although it has been designated a heli-road in the thick of the Tijuca forest, it is open to the public, easy to drive to, and even has parking for a very small fee. Head there if you want to skip the crowds of tourists who flock to Christ the Savior and Sugarloaf Mountain. You'll be able to see both famous landmarks from the 360-degree vantage point. The world's most famous beach, bustling Copacabana is filled with bars and coconut carts. You can go for a long jog along the black and white pavement, lounge on the sand, or take a break and shop in one of the Rio's best districts. With many restaurants, shopping and cars selling fresh coconut milk, Copacabana is the perfect place to lay back, take a dip and absorb the buzz of the city. If you want to experience the incredible biodiversity of Brazil's jungles, but have no interest in learning how to wield a mask, Rio's Botanical Garden is the place to go for a close look without the hike. The gardens are an excellent place for a leisurely walk, ideal for balancing out the excitement on the beaches. The most famous stadium in Brazil opened in 1950 Brazil's first World Cup. It has continued to host many other games, offering, as musicians like Tina Turner, Paul McCartney and Frank Sinatra. Learn more about the history of the stadium being synonymous with Brazilian football by taking a tour through the locker rooms and on the field. Maracana was modernized for the 2014 World Cup and 2016 Olympic games.
