One Fight Ultimate Battle is a 2D combat game in which you can control different characters from the one piece manga/anime. Lufi, Soro, Nami and Sanji are four of the six characters you can bring to the fight. There are three different scenes where you can fight against ai games. In story mode, you will play through a series of back-to-back fights where you need to defeat the rest of the characters one by one. The controls of One Fight Ultimate Battle are pretty simple, thanks to the right separation of virtual buttons. As you would expect, you can use different types of routine and special attacks, including some of the characteristic powers that you saw on the animated series. One Fight Ultimate Battle is a fun 2D combat game that uses a charming, pixelated style similar to Nintendo DS games from the same franchise. This is a real delight for any One Piece fans.
