and select your file. Step 2: Margin size Type a value for the page size in inches. Use the up/down arrows to change. Click the page thumbnail to select it. How to resize a PDF: Choose a document to resize by uploading it from a computer or cloud storage service such as Google Drive or Dropbox. Slim your face down or help them bulk up! Choose your page size settings by selecting page sizes and margins. To access your newly resized documents, download them to your computer and view them in your browser. Even our ancestors used page margins to help them format their text! Page margins were first used in ancient Egyptian sliding papyrus paper. A column of text is separated by margins to indicate the reader to scroll down to the next line. Learn more about resizing PDF requires different margins? Our tool allows you to set measurements for each edge in front of you. More space on the left, a little space on the right equal to the top and bottom: we've covered you! With just a few mouse clicks, our handy resizing tool will help you get your PDF the size you want. Do your files want to shed a few pounds? Use our online compression tool to reduce the size of your documents so you can easily share and upload them. \*Size and daily restrictions may apply.
