From the old-school RuneScape Wiki To list each task sorted to certain requirements, see Diary of Achievement/All Achievements. The Wildlife Diary is a set of diaries of achievements, whose tasks are performed exclusively in the wild. Thus, players are advised to bring armor, food and weapons with which they will defend themselves if they are attacked by the killers of the players. Location Of Small Fanatic To perform all tasks players will need statistics shown in the infobox on the right. Unless stated otherwise, temporary training may be used for all diary tasks. Players wishing to receive the award can do so from Little Fanatic in Edgeville, east of The Prison where Christie's is located. Please note that players must fill out a diary from the previous level to qualify for the next level of awards; for example, players must perform simple and medium-sized tasks to require reward from complex tasks.
