Updated: 22 January 2019, 03:07:00 PMWapking site Pirate site Users can download anything for free without logging from this site, but India is a pirate crime, so downloading anything from such sites can make you feel in trouble. There are a number of content available on vepaking, although the copyright to this content is not mentioned anywhere on the website and it has approached the pyresi to provide anything without copyright. No details are given anywhere on the wapking website about or about it. Some videos have also been inserted there. Wapking has different content on this site Aside from MP3 Saus, available live wallpapers, technical videos, ringtones, Android games, etc. you can also put you in trouble to download them due to the lack of any copyright. Not only that, you can also download SMS from here. About 74 tunes, more than 6,600 wallpapers, more than 56,500 full MP3 songs, about 3,800 videos, more than 600 games and about 50 live wallpapers are available for download on this site. The number of times you click on this site will see the content changed so many times. Pirated content left in India is illegal to sell or download pirated content in India. The servers of these websites and the exit from India that manage them also make it difficult to rein in these websites. It is illegal to see or sell copyright content under the Indian Piracy Act and to do so, jail for six to three years and a fine of 50,000 to 2 rupees can be imposed.
