Finally find the mysterious sword and experience a wonderful adventure with your friends. In the course of the game, death can be said to be commonplace. I was strangled with zombie venom. I was hit by a monster when I ran away. I was killed by a sound bat, and I was killed with a hammer. Different the methods are simply too numerous to list. I let the people of the city disappoint many times because I am their hero, only I can put an end to the rule of the evil demon.
