Home TRESTONE LTD Raft Survival: Ocean Nomad - Simulator Raft Survival: Ocean Nomad - Simulator (v1.157) APK Mod for Android ocean-nomad-survival-v1.157-mod.apkOcean Nomad is a new release in a series of ocean survival games with new enemies, objects, rpg elements, island survival and ocean. Build and upgrade your raft to survive in the sea, protect it from sharks and explore the vast world around. Try all of our amazing survival simulator games rolled into one! Features of our game: Hundreds of weapons and objects Open World Exploration realistic 3D HD - graphics Survival on the Islands improved raft building Tips for the survival of the apocalypse: 🐟 Cati and resources with you hook Lots useful resources in the shark game right under your nose. Chests and barrels floating around always contain vital resources for survival in the sea and the wreckage is really good material for a raft building in ocean games. You can even find items, tools and weapons to protect the raft, so keep throwing the hook! 🛠️ Craft weapons and armor A mining can easily change the rules and become a hunter in shark games. Make a difficult choice among hundreds of guns, two - handed blade weapons and armor parts to protect you floating base and hunt sharks. Create the perfect arsenal and always be ready for battle. 🛡️ Defend your raft Be ready to evolve and fight for survival at sea with a double effort, now that you have another problem to solve. The shark is now joined by swimmers from other survivors games and want to attack the raft. No man can tame a shark and have nowhere to run, so get ready to shoot and swing all night and day! 🏹 Soutrac and upgrade Pay attention to the state of your raft on the water in the survival games in the ocean. It is not enough to tie together a pair of wooden boards without a roof or even walls to feel safe. Be inventive and expand the raft for free in height and width, because the only limitation to create in the survival simulator game 2018 is your imagination. There's also a lot of upgrades for fishing, expanding storage space that you can improve the floating shelter with to help you survive in the ocean. 🏠 Encement ocean All wondered if there is lost land with forest, jungle and pet pets in this ocean without end? The amazing feature of our island survival game is free currently performed in this one. Don't sit idly by - dare explore the ocean and islands around. What they hide: horror or glory, medieval treasures of the royal family or wild tigers and scary dinosaurs period or even old plane wreckage? What's more, you you Find resources, upgrades for the raft and other items on the islands. You don't need a ship or an ark to sail to them in a shark game - a simple boat will do, and perhaps the stars will be your guide. 📖 Deces the story of the apocalypse Unknown devastating cataclysm has turned the world into an endless ocean and the last survivors are locked on scattered islands, like in prison, dreaming of finding their home. The quest of our game raft to find them and find out the truth about what happened, find other people who could survive and join them. 🗝️ Confidence on the raft Allowed release of our offline survival simulator game full of developed enemies, new items and other features that will surprise everyone. Download Ocean Nomad games and embark on an epic survival adventure. Play without Wi-Fi or internet connection, last as many days as you can and share the results online with your friends! Our company Treastone LTD has every right to use the raft trademark in the United States (Mark consists of standard symbols without pretensions to any particular style of font, size or color - Ser. No 87-605,582 FILED 09-12-2017) Download Raft Survival: Ocean Nomad - Simulator (v1.157) APK Mod for Android (Latest version) ocean-nomad-survival-v1.157-mod.apk To unlock the full version, if the items still have lock tags, click after jumping out of the store interface will be all buying items to click on while you can Android Apk Data 20 Febreo, 2017 Aventura, Simulation ion Descripci'n: Survive the difficult existence of being caught on a pontoon in the middle of the sea. You are no longer caught on a single island, even more horribly you are lost among the sea, no human progress, only icy salt water and wild, hungry ocean animals. Collect flotsam and jetsam out of the water to make the necessary gear. Build an axe, sled, rope and various things to make new dividers, columns, covers. Grow your boat and make a more enjoyable life for yourself. Keep your well-being by cooking food and sifting through seawater. Keep an eye on the risks of the sea! Especially the shark comes to tear down the pontoon and bite you. Entertainment has progress in creating a framework and will be an enthusiasm for people who adore creating, working and additionally relaxing survival.
