Description of The Kissing Booth by Beth Reegle's ePub The Kissing Booth is a story of love, loss, heartbreak and unbreakable bonds. This novel is written by Beth Reekles. This is a lovely story about how life doesn't always work the way we want it, but if we're willing, we can still make it a great life. It's a good compelling story, engaging and easy to read. This is the perfect holiday novel, you can pick it up and get straight back to the story. The novel The Kissing Booth is a pleasant story that moves at a good pace. It's not too fast, but at a pace that keeps the reader engaged waiting to discover the outcome. It has a satisfying ending that is a little predictable, but binds up all the loose ends. Some of the male characters are a little too good to be true, but it doesn't spoil any part of the story. The author switches between the two time periods effortlessly and easily that does not always happen in such books. Each story had a wealth that was only strengthened by comparison and contrast to the other. The book certainly brought all the feels, and elements of all characters. Throughout the novel, the story is smooth and generally moves well. At the end of the day if you are looking for something that you have read similar to this before and do not mind another, then this will satisfy you. If you are looking for something more than just an average read, that you will want to engage with, then this is also something you will enjoy.
