The Cerato sedan is an amazingly good car with a sleek design with a coupe-like profile. Inside it, as you'd expect for an entry model, is a bit bland, but still comes with features such as Apple CarPlay and Android Auto, an 8-inch touchscreen with a 6 speaker audio system and a clear Bluetooth connection. Although it misses several security features it is well equipped as standard and has an excellent camera reversing. Powered by a 2.0L 4 cylinder petrol engine that produces enough power for most people and drives the front wheels through a six-speed manual transmission using about 7.6l/100k. For the price of about \$21,500 plus the usual costs, it comes with the outstanding owner of the Kia Benefits Package. Car minutes are heard across Australia every day on more than 50 radio channels through the radio network's torque. Car minutes have an average daily audience of more than 150,000 listeners. Car Minutes is also broadcast as part of the Overdrive Radio program, which is broadcast through community radio networks across Australia and has a weekly audience of more than 450,000.
