Currently, certification is available for the following roles: Head of Enrollment / Operator Children's Enrollment Lite Customer Operator UIDAI appointed NSEIT Ltd as a testing and certification agency (TCA) to conduct an online test to assess a person's ability to carry out fresh enrollment and update existing information according to UIDAI Standards. UIDAI has provided the Comprehensive Student Guide to Aadhaar Enrollment and Updates for important aspects of Aadhaar enrollment and renewal and provision -Orientation/Retraining training for staff enrollment. A separate student guide, particularly on Aadhaar Update, Child Enrollment Lite Client, Raleigh and Responsibility Verifier and Introduction is also available for specific learning needs. For applicants interested in obtaining a certificate as an enrollment operator/controller or operator of CELC, training manuals, bank issues in several languages and a test structure are also provided for self-examination and preparation for an online certification exam conducted by the Testing and Certification Agency. Aadhar NSEIT exam - full information about the manager, operator 2018 online. Here we cover the curriculum, model paper, demo for the exam, apply, recognize/ hall download ticket online. Candidates interested in certification under the UIDAI aadhar card exam or the government as a registration operator Aadhaar must qualify for the exam being held by UIDAI. Below we cover an example of a PDF questionnaire and a training program for operator/leader posts that are available in English, Hindi, Tamil, Telugu, Bengali in PDF format. Training materials/training program and model documents are attached. Make sure to also check the demo exam as well. So that you get an idea of it. How to apply - Aadhar Exam Registration Candidates who are interested to become an operator of Aadhar Enrollment or Supervisor must undergo the following procedure. The application for this position must be completed through an online application form. The application form for the Aadhar exam will be completed on the official UIDAI nseit exam website. Check here to visit the website of the above-mentioned site. Before applying for any position as a supervisor or operator, candidates must have the following to apply for it online. A valid email ID and mobile number. Scanned copy of passport-sized photo. Scanned copy of Signature less than 30KB. Counter part of the applicant payment challan. If a candidate who applies online for this position (operator/manager) must have all of the above information, as they are required to verify and verify the details of the UIDAI candidate through NESIT. The candidate must first click on the New User on the official website, as stated in the above lines of the article. Then enter the details and click on the Send button to get registered. Then you will fill in the payment challans. Transaction ID and payment shuttle number that need to be filled out. Payment data should be passed on, not shared with other employees. Password number and data should be carefully archived for further links. Applicants must not send a copy of the challan to the testing and certification agency. Then the candidate had to book aadhaar aadhaar slot after receiving a message notifying the candidate's payment status. The candidate had to book an aadhaar nesit exam slot by logging on to the website with the registration number and password. The Admit card/hall ticket is available when booking an exam slot. The card/hall ticket must be downloaded from the website after the notification is released. When attending the exam, the candidate must have a card or a ticket to the hall. Identity cards and payment shalons must be held for review. Exam question and answers - Model Documents, Demo Mock Test Candidates can go through previous exam model papers. So what they will know is the exam module. Here we attach questions and answers in pdf format in all languages, such as Bengali, Telugu and Tamil, Hindi. One example of the question: In general, the exam consists of 3 modules, i.e. basic knowledge of UIDAI. Demographic entry to Aadhar. Biometric capture for the certification of the controller. Applicants who apply for the aadhar exam can also prepare for the exam by attending the test, which is also provided by UIDAI through their official website. Follow the link below to visit it. By clicking on the above link, the candidate can directly on the page on which the layout details such as No.of Matters and the time for the test are listed in the line. Click on the Start test button to start the aadhar exam test. By visiting the demo mock tests, the candidate can get an idea of how the Aadhar exam tests will be and what questions are usually asked in the exam. The initial test will last 1 hour and 45 minutes only with text questions with multiple choices, and there will be a total of 75 questions for operator certification or supervisor certification. But for the CELC operator, there are going to be 50 questions. Based on the mark scored by the candidate in the test, they will be certified either as the manager or operator of the registration payment process and model documents Candidates who are willing to apply for an aadhar exam test must pass the payment procedure as payment challan must be downloaded along with the candidate's application form. Here are some steps to complete your online application form for the NESIT aadhar 2018 exam. Download the challan payment test fee from the website. On the homepage, click on the Download Challan button for testing in the entry section. Candidates who apply for retesting can also download Challan there themselves. Go to the nearest SBI bank and pay the test fee in cash to THE CBS account No.33029715480 at the SBI's main branch. Collect a counter-folgue copy of the payment shuttle in the bank. Payment must be made at least two weeks before the exam date. Paying for testing in other modes is not acceptable. Statement after payment is not refundable under any circumstances. Details should be filled with BLOCK LETTERS in a payment chalan in clear and legible handwriting. Applicants must schedule an exam date within six months of payment of the test fee, if not, the fee must be confiscated and they are not allowed to participate in the test for that fee. Schedule report Applicants can check their schedule in the report, which will be updated after the candidate applies for it. Click on the link here to view the schedule report. Enter the candidate's name and registration number along with the aadhar exam date to see the details of the candidate's schedule. Scheduled candidates can write a mock test/demo for practice on the site itself. Click on the link to visit the nseit exams web page to start the mock test Candidates who are eligible for the Aadhaar Registration Operator/Head Test will be issued a certificate that will be proof for the candidate to run the Aadhar Registration Office with UIDAI permission. Exams that are conducted by UIDAI (Unique Identification Authority of India) to select candidates for Aadhar Enrollment exam operators are called NESIT exams.
