Hear from Blanc through @whole.child.home about how she uses positive discipline with her toddler on... To help the child, we must provide him with an environment that will allow him to develop freely. - Dr. Maria Montessori Guide Montessori Network currently serves students at several U.S. campuses in Arizona, California, Florida, Georgia, Illinois, New Jersey, New York, North Carolina, Oregon, Texas and Virginia, as well as internationally in Austria, Canada and China. Our programs - Infant, Toddler, Children's House, Elementary and Middle School - are adapted to the needs of children at every stage of their development. Our leading guides, or teachers, are trained to implement authentic Montessori, offering children the support, time and space needed to learn who they are, how they learn, and how to be part of the community with encouragement to discover and pursue their passions. If you are interested in expanding our program offerings or helping to create a new campus - whether you currently have a child enrolled in Guidepost or not! You can join our mission and become a parent pioneer today! A small group of very special families, passionate about the mission guidepost Montessori, is invited to help find a new school or program for your children. Guidepost is a growing international network of Montessori schools. In every guidepost school, joyful, independent research in a carefully prepared environment leads to children loving to learn. Parental pioneers are partners and early adopters who help us make the new Guidepost Montessori campus a reality. As a parent pioneer, you will forever be part of a proud group that paved the way for more children to access Montessori's high-quality education in your community. We will expand the limited opportunities for you to join our community of founding families and get a great discount on tuition. If you are interested, please fill out the form below to get started. We need a group of dedicated pioneers to provide start-up money by investing in your own child and our shared vision. The opening of the new program is an expensive undertaking. Prepaid tuition will partially fund our initial capital needs to secure the property, create a beautiful school facility, outfit classes, conduct licensing, and hire world-class teaching talent. Once enough families commit to prepaying three years of study at a drastically reduced rate, Guidepost Montessori will ensure the remaining capital is required. As a parent pioneer, your prepaid tuition results in immediate 20 percent savings in your first year of study on the list. The discount for the next two years will be even higher as your training tuition fees are generally subject to an annual increase of 5 per cent per year. It is a risk-free investment, 100 percent returns if you decide that the program is not suitable, and in accordance with our philosophy that it is our responsibility to constantly earn your trust. All prepayments fall under our common policy of providing full refunds for any reason. Your family will play a central role in supporting and nurturing a pedagogical vision that helps students become citizens of the world who are thoughtful, inspired and enterprising. To express our deep gratitude to our pioneering parents, and to the gratitude of the future community you will help create, we recognize your family's contribution to our new program site. Please fill out our form for every child you would like to write in Guidepost. This is our pre-registration step and it will include a \$100 application fee. If the place of registration is immediately available in your desired program, we invite you to fill out a longer registration package and make a deposit on training to keep your child's place. For programs that are currently filled, you will be placed on our waiting list and we will follow you quickly as the holes become available. See the financial assistance options on our trusted partner's website, FAST back on our website If you plan to enroll your child with us, the first step is to read about our programs so that you can determine whether Montessori's approach will be well suited to your child and your family. If you are ready to join us, please complete our convenient online form and sign up today. For many families, investing in independent schooling requires careful financial planning. The Montessori Lake Forest School strives to support economically diverse communities by helping qualified families who, without assistance, do not have other resources with which to meet the full cost of education at MSLF. Each family is unique and we are here to help you determine the best plan for this important investment. Our financial assistance program is based on necessity, not merit. Families seeking financial assistance can request additional information from the Business Bureau. Both contracts for the school year and for the full year are available. Our School Year contract includes a traditional school year from late August to early June. Our Full Year contract includes the school year plus summer and club days (neo-omer holidays and other days such as parent conference days when school-year students are not in school). All fees and deposits are included below, and tuition is paid in full, twice a year or monthly through a check, direct debit or credit card. SCHOOL YEAR TUITION SCHEDULE EDUCATION - 2020-2021 Full year TUITION SCHEDULE - 2020-2021 ANNUAL TUITION DEPOSIT A \$600 annual tuition deposit must be deposited.
