..... Tuesday, April 02, 2013 Junior Member Join Date: April 2013 Location: Peshawar Messages: 4 Thank you: 2 Thanks 0 times in 0 Messages Hi Ambi Khan, Well, I'm also in the process of compiling beeches and compiling a schedule, and I was in a double joining the turn from medicine to CSS and the initial state is always a state of terrible despair, but V must keep our chins..... as much as I've assembled Horton n Hunt and an introduction to sociology by Abdul Hamid Taga @amby seems like a buzz combo... Can u please tell me about ne gud professor of international law at the University of Pesch, who can lead me in the subject of coz dats another optional subject of mine. An idea that doesn't fit with action will never be bigger than the brain cell it's on. The latter, edited by Mr. Vicar; Tuesday, April 02, 10:33 a.m. Reason: merged Tuesday, April 02, 2013 Senior Member Join Date: December 2011 Location: City Eagles Messages: 643 Thank you: 225 Thanks 555 times in 352 Messages Quote: Originally published by Amby Khan please offer me a good book for sociology as I m new ds issue ... also an easy book for indo Pak history k.ali book V tough. The quote: Originally published as Doc Doc Doc Hi Ambi Khan, Well, I'm also in the stage of compiling beeches and drawing graphics, and I've been in a double tying twist from medicine to CSS and the initial time is always a state of terrible desperation, but V must keep our chins up..... as much as I've assembled Horton n Hunt and an introduction to sociology by Abdul Hamid Taga @amby seems like a buzz combo... Can u please tell me about ne gud professor of international law at the University of Pesch, who can lead me in the subject of coz dats another optional subject of mine. Avoid regular use of Netspeak or other cute grammar or spelling (e.g.: writing R U woman?, not you're a woman?). Please read the forum rules and follow them. @Amby Khan For Sociology Advice Introduction to Taga Sociology. For Indo Pak consult with Jahangir Publishers' Book. ..... give me another chance, I want to grow up again..... Sunday, November 03, 2013 Senior Member Join Date: December 2010 Location: Dream Land Where Eagles Live Messages: 441 Thank you: 484 Thanked 286 in 195 Messages Quote: Originally published lifelost AOA Dear everything, hopeo will be in the best health, sociology ke samjh he is neither arch or on he kise aur subject ke, I have not joined any academy so terrible condition, kindly can anyone help me sort this this out mine, thanking you for the cooperation of Best Regards..... give me some sun, give me a rain.

..... give me another chance, I want to grow up again..... w.salam, where do you find the problem? What's hard? Publish your questions here sociology is just an understanding of society in terms of culture, customs, relationships, etc. concerns attitude makes a difference! The next user says thank you very special 1 For this useful post: lifelost (Tuesday, November 05, 2013) A large number of CAS applicants choose sociology as an optional subject for his subject to be useful in other mandatory as well as optional subjects. However, few are able to score above the average on this issue because many applicants are unaware of the guidelines that are needed to earn a good score in sociology. Many books have made their appearance as a guide for students choosing sociology over the past so many years. All of them have more or less independent value and merit, but many of them do not have an important ingredient for good scoring, which introduces the applicants to the technical jargon of the issue. Like all other social sciences, sociology also has its own language, which basically separates ordinary writing from sociological. The main purpose of this book is to fill this gap. In accordance with the updated CSS 2016 curriculum, the authors used their experience in sociology to present concepts that are easy to understand but contain sociological terminology. The technical jargon presented in this book will differentiate non-specialized writing from an expert and therefore help in obtaining more than average marks. In addition, a great effort was to apply to the contents of the tike of social theorists, social problems, and sociological research. Past articles show that this content is at least 65 marks in the sociology exam. In addition, the examples presented in the text are in the context of Pakistani society, which will give students an additional benefit in taking the exam.
