Find out at HiNative! Ask any questions about English, Korean, Japanese, Spanish, French, Chinese, Russian, Arabic, Portuguese, German, Italian and more than a hundred other languages and dialects. Get answers to your questions from native speakers in minutes. Spread the language of learning love by helping other users learn your native language. Welcome to the most interesting, most useful language learning community in the world, where you can ask whatever you want and learn for free. The company #1 an online language learning app for language learners. More than 2 million registered users worldwide. Google Play Best 2017 Features Audio Downloads - Want to Check the Pronunciation? Want to know about the accent of a particular area? Need handy phrases for your upcoming trip abroad? Just ask your questions and ask. Let the world hear you! Question formats - Asking questions is easy. All you need to know is words, phrases or sentences that you need help with, and HiNative question formats will do the rest. We automatically translate your questions into other users' native languages. Learn how to speak a language without knowing how to speak it in the first place! Photos - Don't know how to write something? No problem! Sometimes a picture is better than words. Download images of signs, menus, labels, and even that glad Chinese character you are considering getting a tattoo. Just snap the picture and ask away! Ask about countries and cultures - Travel soon? Moving abroad? Ask the natives important questions that can only be answered by locals. Get information about local customs, famous attractions, cheapest (but tastiest) restaurants or even opinions about current events. You can also ask questions that aren't in the dictionary or translator! More than 110 languages to learn - You can ask about English (USA), Japanese, Korean, Spanish (Spain), French (France), simplified Chinese (China), Russian, Arabic, Spanish (Mexico), Portuguese (Brazil), Portuguese (Portugal), traditional Chinese (Taiwan), German, Italian, Dutch, Swedish, Thai, Ukrainian, Turkish, Vietnamese, (UK), Spanish (Colombia), Polish, Norwegian, Indonesian, Malaysian and many others! Unlike a dictionary, web search or translation software, HiNative provides you with individual examples of sentences, answers to your follow-up questions, and tips for improving pronunciation. Ask Ask Ask vocabulary, how to write and speak, pronunciation, grammar, and get great advice from native speakers. You can even practice your understanding of listening! HiNative brings the whole world at your fingertips, wherever you are. It has never been so easy to connect, help and learn. Try HiNative today and change the way you learn languages for the better. Download APK: eJOY Learn English with eJoy JSC Download movies and install HiNative it's important to know how to use the APK or Apk MOD file after downloading to your device. APK files are raw files of the Android app, similar to how .exe is designed for Windows. APK means Android Kit Package (APK for short). This is the batch file format used by the Android operating system to distribute and install mobile apps. In 4 simple steps, I'll show you how to use HiNative - Language Learning.apk on your phone as soon as you've done its download. Step 1: Download HiNative - Language Learning.apk on your device You can do it right now using any of our download mirrors below. Its 99% guaranteed to work. If you're uploading an apk to your computer, make sure to move it to an android device. Step 2: Allow third-party apps on your device. To install HiNative - Language Learning.apk, you need to make sure that third-party applications are currently included as the source of installation. Just go to the menu for the security settings and check unknown sources to allow your phone to install apps from sources other than the Google Play Store. On Android 8.0 Oreo, instead of checking the global setting to allow installation from unknown sources, you will be asked to allow your browser or file manager to install APKs on the first attempt to do so. Step 3: Goto Your File Manager or Browser Location Now you will need to find HiNative - Language Learning.apk file that you just downloaded. If you prefer, you can also download the file manager app here, so you can easily find files on your Android device. Once you have found the HiNative - Language Learning.apk file, click on it and it will start a normal installation process. Click Yes when asked for anything. However, be sure to read everything on the hint screen. Step 4: Enjoy HiNative - Learning the language is now installed on your device. Enjoy! Are APK files safe? Ignore any rumors or site that says otherwise. APK files are usually as secure as the .exe Windows PC file, hence the most important thing to note is that you should always download it from trusted sites. You usually don't have anything to worry about as we have provided some of the safest sites in our Apk download mirrors below. Thanks for reading this tutorial. Download the app below!
