Ford's latest round of upgrades for the Ranger ute arrives at the top of the city. The 2020 Ford Ranger Wildtrak X enhancement package returns the Raptor benefits of standard spray in the bed liner FordPass Connect remote features StandardFord detailing some of the newest running changes to the pre-special Ranger model as the latest step in the revamped Ranger lineup. Already announced XL Special Edition, XLT Fully Loaded and regular variants of XL, XLS and XLT, Ford now turns its attention to the most expensive models in the Ranger family. Among the latest changes, XLT, Wildtrak and Wildtrak X will be available for the first time with a pearly alabaster white paint finish as a \$650 option, along with other prestige paint finishes. Free Arctic white will also be preserved. The previous special edition of Wildtrak X returns, taking the already comprehensive Wildtrak as a starting point, but adding claimed \$6,000 off the cost of just \$2,000 more. The Wildtrak X's additions include unique matte black 18-inch alloy wheels with a displacement of 35 pounds, pushing them further than the wheels no.55 of the usual Wildtrak. Black wing flare, black push bar with LED light bar, and tube for round of extra kit. Wiltrak X joins Wildtrak in adding two-LED projector headlights instead of previous HID lights with halogen high beams. Ford says the new front lighting system provides 17 percent more low beam penetration and 20 percent improved high beam throw. At the back, a new power roller shutter covers the tray, and can be activated from inside the cabin, through the keychain, or from the button in the bathtub. The new mechanism design frees up an additional load space of 80mm between the tailgate and the canister, while clearing up an extra 20mm height gap. Ranger Raptor gets a new plant-applied spray in the bed liner as standard. The liner itself is covered by a five-year, unlimited warranty per kilometre of Ford and is said to minimize slip, scratch and potation in bed while living in line with Ford's internal engineering standards. Other changes to the Ford Ranger include the range throughout the addition of the FordPass Connect.Ford connection system allows remote access to lock and unlock your car, start the engine remotely (on auto models), determine its location when parking, and check the fuel and tire pressure levels from your smartphone. No changes were made to the Ranger's 147kW/470Nm 3.2-liter five-cylinder turbodiesel paired with either a six-speed manual or six-speed automatic, or a 2.0-liter two-turbo four-cylinder diesel paired with a 10-speed automatic. As before, Wildtrak variants are available with all three powertrains and a full The Raptor remains only a bi-turbo. Lower-spec versions are available with two- or all-wheel drive and fleet-focused specifications also have affordable 2.2-liter four-cylinder four-cylinders diesel rated at 118kW and 385Nm.2020 Ford Ranger pricing 4x2 XL Single cab C/C 2.2L Low Rider MT – \$29,190 XL Single cab C/C 2.2L Hi-Rider AT – \$34,890 XL Super cab C/C 2.2L Hi-Rider AT – \$37,390 XL Double cab C/C 2.2L Hi-Rider AT – \$39,390 XL Double cab P/up 2.2L Hi-Rider AT – \$40,790 XLT Double cab P/up 3.2L Hi-Rider AT – \$51,540 XLT Double cab P/up 2.0L Bi-Turbo Hi-Rider AT – \$53,0404x4 XL Single cab C/C 3.2L MT – \$43,090 XL Single cab C/C 3.2L AT – \$45,290 XL Super cab C/C 3.2L MT – \$45,590 XL Super cab C/C 3.2L AT – \$47,790 XL Super cab P/up 3.2L AT – \$49,190 XL Double cab C/C 2.2L AT – \$47,290 XL Double cab P/up 2.2L AT – \$48,690 XL Double cab C/C 3.2L MT – \$47,590 XL Double cab C/C 3.2L AT – \$49,790 XL Double cab P/up 3.2L MT – \$48,990 XL Double cab P/up 3.2L AT - \$51,190 XLS Двойная кабина P/up 3.2L MT - \$50,290 XLS Двойная кабина P/up 3.2L AT - \$52,490 Sport Double cab P/up 3.2L MT - \$53,540 Sport Double cab P/up 3.2L AT - \$53,540 Sport Double cab P/up 3.2L MT - \$53,540 Sport Double cab P/up 3.3.3.3.00 2L AT - \$55,740 XLT Super кабина P/вверх 3.2L AT - \$57,440 XLT Супер кабина P/up Bi-Turbo AT - \$58,940 XLT Двойная кабина P/up 3.2L MT - \$57,240 XLT Двойная кабина P/up 3.2L AT - \$59,440 XLT Двойная кабина P/up Bi-Turbo AT - \$60,940 Wildtrak Двойная кабина P/вверх 3.2L MT - \$62,090 Wildtrak Двойная кабина P/up 3.2L AT - \$64,290 Wildtrak Двойная кабина P/up Bi-Turbo AT - \$65,90790 Wildtrak X Двойная кабина P/up 3.2L MT - \$64,090 Wildtrak X Двойная кабина P/вверх 3.2L AT - \$66,290 Wildtrak X Двойная кабина P/up Bi-Turbo AT - \$67,790 Raptor Двойная кабина P/up Bi-Turbo AT - \$77,190 MORE : Рейнджер новости и обзорыMORE: Все Форд Форд ford ranger wildtrak 2020 manual transmission. ford ranger wildtrak 2020 owners manual. ford ranger wildtrak 2020 owners manual pdf
