Turn on Uppercut Quick Recovery, Unlimited Execution, Smoke, and Health Recovery options. Then, select Smoke, and on the battle screen, use the spear by pressing [Back]x2, [LK] or [LP]. When the opponent is pulled from the spear, make a strut. Repeat the passes until the opponent dies. You can do up to 50 shots and 100% damage by doing this trick. Smoke: Invisibility Press [Next] - [Block] - [Run] a couple of times. The smoke should make its winning greeting, then burst into flames and disappear. Press [Jump] towards him and press [Kick]. Even if it freezes, it goes back; do it with caution. Below zero: 2-hit 43% Keep your opponent still freezing it, then upercut him ([Down] - [HP]). Before landing it, freeze it (the explosion forward) and then mount it. You must have the upercut quick recovery code enabled. If you get lucky and get up the second time very fast give it a low kick to get 53%. Defeat Boss Enable scott's stuff makeup menu and disable blocks. When fighting bosses, use any character and keep kicking them. This works on both Motaro and Shao Kahn. Continuous moves Note: This trick requires a controller with a self-fire function. Set the game to no block set [A] for auto focus. Select Kang or Kano. He Kang will kick an eternal bike, and Kano will keep rolling against his opponent. Note: Not this operation on a two-player game. Fight like human smoke: Highlight smoke. Hold Away (Uff, HP , HK , Block) and Runs until the start of the game. Random character selection: Highlight Rain and press Up and Start. For player two, highlight Noon Saibot and press Up and Start on controller two. Original tournament: Highlights the Start option on the title screen, title, press L and R and Start for an 8 x 8 endurance tournament mode. Press up and start selecting random fighters. Note: Sometimes a ? it will appear in a fighter's box, which will result in a sheeva glitched and may anomale the game. Makeup menu: Enter one of the following controller actions on the Start/Options screen to display the corresponding cheat menu. Kool Stuff Press Right, Up, B(2), A, Down, Up, B.
