APK ToolsPaint the Town Red is a chaotic first-person melee game set in different locations and time periods. Woxel-based enemies can be punched, punched, kicked, stabbed and sliced completely dynamically, using almost anything that is not nailed down. You will need to use your wits, speed and everything you can get your hands on in epic bar fights, disco brawls, old western salon rumbles, college fraternity house bit-downs and more. We'll add more levels to the Early Access versions leading to the release, and we look forward to creating the best level ideas from the community. Please follow and add to your wish list to be aware of events and be notified of the release. Also in Red City - Fighting games you will need to use your wit, speed and anything you can get your hands on in epic bar fights, disco brawls, old western salon rumbles, college fraternity house bit-downs and more.
