We are a Coeducational Fraternity focused on the goals of Latino students on college campuses. As the fastest growing minority in this country, it is becoming increasingly important for the Latino community to continue its education. This trend also brought with it the need for cultural awareness, cultural identity and cross-cultural understanding. As a result, there is a growing need for Alpha Psi Lambda for which we try to help in the identity of our culture. This trend has been demonstrated by the growth of our Fraternity. Although we are a Fraternity of Latin interest, Alpha Psi Lambda has welcomed people from a wide spectrum of cultures around the world. Alpha Psi Lambda remains a close-knit family. Our strength lies in our ability to focus on our culture while enjoying the diversity of others. Latin culture is very strongly rooted in family and support, which allows Alpha Psi Lambda to provide these same roots to our Fraternity. Alpha Psi Lambda, to its members, is more than just a Fraternity. It creates this true family support, brotherhood, and brotherhood at a time in a student's life when it is most important. Our affiliation is proud of the values of Family, Culture, Academics, Service and Leadership. Leadership.
