## Signs signals and codes merit badge

Discuss with your advisor the importance of signs, signals and codes and why people need these different methods of communication. Briefly discuss the history and development of signs, signals and codes. Explain the importance of reporting in emergency communications. Discuss with your advisor the types of emergency or rescue signals you could use to lure air search and rescue personnel if lost outdoors or trying to call for assistance during a disaster. Illustrate these signaling examples using photos or drawings. Do the following: Describe what Morse code is and the various means by which it can be sent. Write your name using Morse code. Send or receive a six to 10-word message using Morse code. Describe what American Sign Language (ASL) is and how it is used today. Write your name using The American Sign Language. Send or receive a six- to 10-word message using ASL. Give your consultant a brief explanation about the traffic light, why it is used, how it is used, and where it is used. Explains the difference between traffic light flags and nautical flags. Then do the following: write your name using the traffic light. Send or receive a six- to 10-word message using the semaphore. Using illustrations or photographs, identify 10 examples of nautical flags and discuss their importance. Explain braille reading technique and how it helps people with visual disabilities communicate. Then do the following: on sight or by touch, identify the letters of the Braille alphabet that type your name. On sight or to the touch, decode a braille message along at least six words. Create a braille message along at least six words and share this with your advisor. Do the following: Describe to your consultant six currently used sly signals. Discuss the pros and cons of using sly signals versus other types of signals. Show your advisor six different silent scout signals. Use these scout signals to direct the movements and actions of your patrol or troop. During a Scout outing, track a track to follow for your patrol or troop. Cover at least a mile away and use at least six different road signs and markers. After the Scouts complete the route, follow the principles of no-track by replacing or returning trail markers to their original locations. For three of the following activities, demonstrate five signals each. Explains what the signals mean and why they are used: sports officer's manual signals/signals Heavy equipment operator manual signals Heavy equipment operator manual signals The crew of the aircraft carrier catapult signals Manual signals of the cyclist An activity selected by you and your consultant Share with your consultant 10 examples of symbols used in everyday life. Design your own symbol. Share it with your consultant and explain what it means. Then do the following: show examples of 10 road signs and explain their meaning. The use of a map, explain what a map legend is and discuss its importance. Intiva 10 map symbols and explain the meaning of each. Discuss text message symbols and why they are commonly used. Provide examples of your 10 favorite text symbols or emoticons. Then see if your counselor or parent can identify the meaning or use of each symbol. Briefly discuss the history of secret code writing (encryption). Create your own secret code and write a message of up to 25 words using this code. Share the message with a friend or fellow Scout. Then share the message and code key with your advisor and discuss the effectiveness of your code. Signals signals and codes Worksheet Comments: February 26, 2015 - Ian StuartSo excited to see this badge, but I think the requirements are a bit tiring... March 30, 2015 - Frank Messinalo is vice president of chatham Marconi Maritime Center, also Ham KB1UZZ and former scout chief. This is a great badge of merit. Check out our website,www.chathammarconi.org are a Museum/Education that focuses on the themes of this new merit badge, communication, wireless radio and encryption. This summer I hope to start a lesson focused on the themes of the Signs,Signals & Codes merit badge. We are already hosting scout lessons on the radio badge and hope to expand this new badge. Contest - Ask a Question - Add ContentThis site is not officially associated with the Boy Scouts of America Follow Me, Scouts Close Quick Nav This popup contains your top 10 most visited pages. Get quick access to your favorite links, no matter where you are on Scoutbook. I'm just a click away! Understand... Thank you! SKUs: 35777 Signs, signals and codes Merit badge requirements 1. Discuss with your advisor the importance of signs, signals and codes and why people need these different methods of communication. Briefly discuss the history and development of signs, signals and codes. 2. Explain the importance of reporting in emergency communications. Discuss with your advisor the types of emergency or rescue signals you could use to lure air search and rescue personnel if lost outdoors or trying to call for assistance during a disaster. Illustrate these signaling examples using photos or drawings. 3. Do the following: (a) Describe what Morse code is and the various means by which it can be sent. Write your name using Morse code. Send or receive a six to 10-word message using Morse code. (b) Describe what American Sign Language (ASL) is and how it is used today. Write your name using The American Sign Language. Send or receive a message from six to words using ASL. 4. Give your consultant a brief explanation about the traffic light, why it is used, how it is used and where it is used. Explains the difference between traffic light flags and nautical flags. Then do the following: (a) Write your name using the traffic light. Send or a message of six to 10 words using traffic lights. b) Using illustrations or photographs, identify 10 examples of nautical flags and discuss their importance. 5. Explain braille reading technique and how it helps people with visual disabilities communicate. Then do the following: (a) On sight or by touch, identify the letters of the Braille alphabet that type your name. On sight or to the touch, decode a braille message along at least six words. (b) Create a braille message along at least six words and share this with your advisor. 6. Do the following: (a) Describe to your consultant six currently in-use audio-visual signals. Discuss the pros and cons of using sly signals versus other types of signals. (b) Show your advisor six different silent scout signals. Use these scout signals to direct movements and actions to direct the movements and actions of your patrol or troop. 7. During a Scout outing, track a track to follow for your patrol or troop. Cover at least a mile away and use at least six different road signs and markers. After the Scouts complete the route, follow the principles of no-track by replacing or returning trail markers to their original locations. 8. For THREE of the following activities, demonstrate five signals each. Say what the signals mean and why they are used: a) Sports officer's hand signals/signals b) Heavy equipment operator manual signals c) Carrier catapult crew signals (d) Rider's hand signals c) An activity selected by you and your consultant 9. Share 10 examples of symbols used in everyday life with your consultant. Design your own symbol. Share it with your consultant and explain what it means. Then do the following: (a) Show examples of 10 road signs and explain their meaning. (b) Using a topographic map, explain what a map legend is and discuss its importance. Intiva 10 map symbols and explain the meaning of each. c) Discuss text message symbols and why they are commonly used. Provide examples of your 10 favorite text symbols or emoticons. Then see if your counselor or parent can identify the meaning or use of each symbol. 10. Briefly discuss the history of writing secret code (ncryption). Create your own secret code and write a message of up to 25 words using this code. Share the message with a friend or fellow Scout. Then share the message and code key with your advisor and discuss the effectiveness of your code. The official source of this page is: 2019 Scouts BSA™ Requirements Book Please arrive with ample time before the time of of the recording lesson. Remember, there will also be others checking in that registration may take some time, depending on the size of the class and the event held in combination with the class. Your Scout uniform must be worn when attending this merit badge session. If you have any questions, do not hesitate to contact Brian Reiners (Scoutmater Bucky) by email to the scoutmasterbucky@yahoo.com or phone at 612-483-0665. Reviewing the merit badge booklet BEFORE participating and doing preparation work will ensure that scouts get the most out of these class opportunities. The merit badge booklet is a wealth of information that can make it much easier to earn a merit badge. It contains many of the answers and solutions you need, or it can at least provide guidance on where to find answers. It is NOT acceptable to be unprepared for a Bucky Scoutmaster event. You can (and should) use the Bucky Signs, Signals, and Codes Merit Badge scoutmaster workbook to help you gain an edge and organize your preparation work. Please note that using any workbook is just to take note and refer. The completion of any merit badge workbook does not guarantee, warrant, or confirm a Scout's completion of any merit badge requirements. It should be noted that this class of merit badges is not meant for those who just want to come and see what they can do. You can complete this merit badge by being properly prepared and after doing the preparation work before the lesson. The preparation is a MUST! If you're not willing to participate in these expectations and standards, maybe the Bucky scoutmaster opportunity isn't for you. Things to remember to bring for this class of merit badges: Blue card of the merit badge correctly filled in and signed by your Scoutmaster Badge Signs, Signals and Codes Merit Badge Pamphlet Scout uniform Supporting documentation or project work relevant to the Signs, Signals and Codes merit badge, which may also include a merit badge workbook for reference with notes A positive scout focus and attitude Please read and understand the Bucky scoutmaster blue card process. Please arrive with ample time before the start time of the lesson to ensure that the connection to the online session is working properly. Ask people in your family to refrain from unnecessary use of the Internet, including, for good use, streaming videos, online games, and other heavy bandwidth usage. You will receive a link from 12 to 24 hours before the start time of the lesson. The notification will come through the email address provided during the registration process, so be sure to enter your email correctly. Your Scout uniform must be worn when attending this online merit badge session. If you have any further questions, please contact Brian Reiners; Scoutmaster Bucky via email or on the phone at 612-483-0665. Reviewing the merit badge booklet BEFORE attending and doing prep work ensures scouts neglect the most from these online class opportunities. The merit badge booklet is a wealth of information that can make it much easier to earn a merit badge. It contains many many the answers and solutions you need, or they can at least provide guidance on where answers can be found. It is NOT acceptable to be unprepared for a Bucky Scoutmaster event. You can (and should) use the Bucky American Business Merit Badge scoutmaster workbook to help you gain an edge and organize your preparation work. Please note that using any workbook is just to take note and refer. The completion of any merit badge workbook does not guarantee, warrant, or confirm the completion by Scouts of any merit badge requirements. You can download the Bucky Signs, Signals, and Codes Merit Badge scoutmaster workbook to take notes to help you prepare. It should be noted that this merit badge class is not meant for those who just want to come and see what they can do. You can complete this Merit Badge by being properly prepared and having done the preparatory work before the lesson. The preparation is a MUST! If you're not willing to participate in these expectations and standards, maybe the Bucky scoutmaster opportunity isn't for you. Be sure to read the top of this page for general attendance expectations in a Bucky Scoutmaster merit badge class. Pay special attention to action verbs within requirements. An example to note: Tell, explain, describe, and discuss are commonly used and will require the Scout to perform these actions during the lesson. When these action verbs are part of any requirement, scouts are expected to be ready to share. Reading the answers is not acceptable as it does not meet the requirement to show the Scout's knowledge and understanding. Discuss with your advisor the importance of signs, signals and codes and why people need these different methods of communication. Briefly discuss the history and development of signs, signals and codes. Explain the importance of reporting in emergency communications. Discuss with your advisor the types of emergency or rescue signals you could use to lure air search and rescue personnel if lost outdoors or trying to call for assistance during a disaster. Illustrate these signaling examples using photos or drawings. Describe what Morse code is and the various means by which it can be sent. Write your name using Morse code. Send or receive a six to 10-word message using Morse code. Describe what American Sign Language (ASL) is and how it is used today. Write your name using The American Sign Language. Send or receive a six- to 10-word message using ASL. Give your consultant a brief explanation about the traffic light, why how it is used and where it is used. Explains the difference between traffic light flags and nautical flags. Then do the following: write your name using the traffic light. Send or receive a six- to 10-word message using the semaphore. Using illustrations or identify 10 examples of nautical flags and discuss their importance. Explain braille reading technique and how it helps people with visual disabilities communicate. Then do the following: on sight or by touch, identify the letters of the Braille alphabet that type your name. On sight or to the touch, decode a braille message along at least six words. Create a braille message along at least six words and share this with your advisor. Describe to your consultant six only signals that are in use today. Discuss the pros and cons of using sly signals versus other types of signals. Show your advisor six different silent scout signals. Use these scout signals to direct movements and actions to direct the movements and actions of your patrol or troop. During a Scout outing, track a track to follow for your patrol or troop. Cover at least a mile away and use at least six different road signs and markers. After the Scouts complete the route, follow the principles of no-track by replacing or returning trail markers to their original locations. For three of the following activities, demonstrate five signals each. Explain what the signals mean and why they are used: Sports officer's manual signals/signals Heavy equipment operator manual signals Carrier catapult crew signals An activity selected by you and your advisor Share with your advisor 10 examples of symbols used in everyday life.
