## Sussex county ymca aftercare

Description: Sussex County School Child Care Programs provide peace of mind for parents who work by providing on-site programs at their child's school. Our staff provides homework assistance, lead sports, games and crafts, and organizes special events, keeping your child safe and happy until he or she is picked up. All children receive a daily snack in the program. Be the first to review this child care provider. Write a review about Hardyston YMCA After School Program. Let other families know what's great or what could be improved. Please read our brief review guidelines to make your opinion as useful as possible. ChildcareCenter.us does not actively review or monitor user feedback, nor do we verify or edit content. The reviews reflect only the writer's opinion. We ask users to follow our review guidelines. If you see a review that doesn't reflect these guidelines, you can email us. We will evaluate the review and decide on the next appropriate step. Please note: we will not delete a review simply because it is negative. Providers are welcome to respond to parents' opinions, however, we ask that they identify themselves as the provider. The following are the schools and businesses they provide before and after child care in Sussex County. Call each location for more information, such as available vacancies, schedules, and bus opportunities.\*\*K.E.E.P. is no longer in business in Sussex County. Contact the school where the K.E.E.P. program was previously available and see what other options they may have for before and after care. Yhteis-organisaatio ? Kuntosali/fitness-keskus ? Facilities at Voittoa tavoittelematon J'rjest-Our feature an indoor pool with water programs, cardio and cardio equipment, fitness classes for all levels, sports and enrichment classes, and a supervised child surveillance and youth room. We can help you get started with our twelve-week Wellness Training program that is included in our membership. In addition, we offer before and after care at schools in the area and during the summer. Kids can enjoy the experience of a lifetime at our American Camp Association (ACA)-accredited Blue Mountain Day Camp, located at Fairview Lake in Stillwater or at our facilities camp in Hardyston. He is now enrolling for the 2020-21 school year. During these difficult times when your regular routine seems to change daily, one thing remains the same: your child needs a safe and enriching place to go during the school day. While the school year may seem different from the previous one, our school-age child care program continues to be a familywhere where children can be safe, active, learning, and engaged during the day. Through a balanced approach to youth development, the Y program provides academic support for virtual school, activities, mentoring and socialization through play, helping children thrive throughout the school year. Registration Date Interest Form View our book of health and safety measures for school-age child care. About the program Parents can focus on work, knowing that their children are under the safe supervision of experienced and dedicated Y staff. Our staff helps children who are learning virtually, at school, or a hybrid of both. Students bring their supplies, such as Chromebooks or tablets, and staff help them stay connected to their teachers and assignments throughout the day, while providing screenless breaks, peer interaction, and enrichment activities. As today's learning environment changes rapidly, the Y offers flexible, worry-free programming options to meet families, including all-day care for working parents. In addition, the Y program is affordable. Through the Y For All Fund, parents can access financial resources to help them pay for the program. In addition, the state of NJ has increased its household income limits to \$150,000 for families to receive tuition assistance. See more information below on how to apply. The Y is before and after Program Offerings: Flexible Options: Choose from 2-5 days a week, and full or partial day care \* Quiet space to participate in supervised virtual schoolwork with staff supports enrichment activities in science, technology, engineering, art and math (STEAM) Healthy snacks that meet USDA nutrition guidelines and align with YMCA's healthy eating and fitness standards, including 30 minutes of fun each day embracing diversity and building healthy relationships that last well into the adult achievement program that encourages preparation for work, entrepreneurship and financial literacy skills and uses experience learning to inspire students to dream big and reach their potential regular specialists and special events to improve the daily Volunteer Opportunities and Community Service Projects Continuous Care program when schools are closed of our Holiday Camp\* \*Varies by location. New Jersey Tuition Assistance is extending tuition payments through January 31, 2021 for families who have already been approved through the state's School-Age Enrollment Assistance program. For more information, visit childcarenj.gov/COVID19. The Y strives to make child care tuition more affordable for all families, so that children can receive the educational, physical, and social benefits of our programs, while reducing stress on parents by juggling work and home responsibilities with life uncertainties. Through our Y for All Fund, qualifying families may receive a reduced rate on their child care enrollment. Even if you don't think you'd qualify for assistance, we recommend that you apply. West Orange Remote learning for the first dialing period (until December 11, 2020). We will be providing full day care at Redwood and St. Cloud Elementary Schools from 7:30am to 4:00pm 2, 3 and 5 days per week, with options for extended care. Extended care from 4:00 to 6:00 p.m. will provide additional homework time, a healthy snack, outdoor games, and opportunities for enrichment activities in a well-supervised environment that encourages safe socialization and physical activity in a group setting. Registration is now open. Livingston We will provide full-day care for Livingston students at Mount Pleasant Middle School\* to support the Livingston School District's remote learning plan. Students will be organized by grade with an emphasis on supporting the remote/synchronous learning needs of the school day. Extended care from 3:35 to 6 p.m. will provide additional time for homework, a healthy snack, outdoor games, and opportunities for enrichment activities in a well-supervised environment that encourages safe socialization and physical activity in a group setting. Caldwell/West Caldwell We will provide before-school programs at Elementary Schools (Jefferson, Lincoln, Washington, Wilson) following the hybrid A/B model of the Caldwell/West Caldwell School. Before care it will be available from 7:00am to 8:45am in elementary schools on Monday and Tuesday for Cohort A, and Wednesday/Thursday for Cohort B. After care will be available from 3:00 to 6:00 p.m. in elementary schools on Mondays and Tuesdays for Cohort A, and on Wednesdays and Thursdays for B. School district instruction staff will provide supervision for After Care from 11:15 a.m. School dropoff until the Y program begins at 3pm Roseland (Lester C. Noecker School) West Essex YMCA is working in partnership with the Roseland Board of Education to provide child care options for working families to supplement the school day at Lester C. Noecker School. We will provide a Before Care program from 7:00am to 8:30am for K-2 graders in the AM cohort and for 3rd-6th graders in their school days after the A/B hybrid model. In addition, an extended after-school program will be available to students in grades 3-6 in their school days, as well as the traditional after-school dropoff care for K-2 graders in the PM cohort. Registering today Having YMCA aftercare open and enrolling our child in the program is a huge support and help for parents working full-time, including myself. - Jillianne R. We are currently taking advantage of the Y postcare program. As a working father during these uncertain times, it is a comfort to know that you are in a safe and fun environment with friends and wonderful advisors Y. - Tamara C. I am incredibly grateful for the attention the YMCA staff gives to my son. He is able to complete his schoolwork every day and is excited to learn. Charlie says his favorite part of the day is going to the playground. I am very grateful to the Y and the attentive staff who take care of my son. - Lisa T The choice before/after the care of the YMCA allows me the peace of mind of knowing that my child is in a safe and attentive environment while I am at work. Counselors help reinforce my goals for your care and education and keep me on top of your daily progress, while helping you explore your interests and independence. This allows us the freedom to have a more relaxed night after arriving home from work without having to sacrifice my professional goals or our time together. - Nicole T The program has given me the peace of mind of knowing that I can work full-time, while trusting that my children are cared for and assisted with their virtual learning needs. The staff is wonderful, always greets me with a smile. Alessia and Max enjoy socialization and balance of schoolwork and socialization. Thank you for everything you do. You have no idea how grateful I am for your hard work + dedication during this difficult time. If I'd known Lily would be so happy and excited about school, she'd have checked me in months ago. My relationship with Lily is in balance, there are fewer discussions and tantrums. I spent a lot of time really depressed because I didn't know what to do with Lily's behaviors. Now I cry when I look at Lily and realize you have to be a mom. Thanks a lot!! - Melisa K. [+]
