Description: Finally, after a long time here is the second version of the famous video game-puzzle, Monument Valley 2 Full, which on the day of its opening caused a great feeling around the world for its innovation and for having the first game where you had to use the visual aspect in 3D-measuring scenarios to solve the mystery in each level and go from point A to point B. Monument Valley 2 just as As his ancestor consists of a simple but equally addictive story where this time we have to help a girl named Roe and her daughter to bring out the mysteries of puzzles and puzzles. Daughter Roe throughout the process will learn her mother's tricks to learn all the hidden secrets of this beautiful World Monument Valley 2 Full. As usual, another great aspect of this wonderful app is its unique graphics, landscapes and colors that will fascinate more than one. We enter a world full of magic and love all over the world, just beautiful! it is a word that describes this great masterpiece and of course its soundtrack is unique and impressive like no other. Check your brain with the complex puzzles presented to us by this app. More things about this puzzle: Short Saying Monument Valley 2 Mod is a puzzle game made for lovers of mental problems, where in addition to testing your brain you'll have a good time next to your smartphone and friends with this app that doesn't go out of fashion. Monument Valley 2 Patched is a puzzle app that tries to solve a number of puzzles to get to a certain point on the map and go to the next level, this is an application where you have to use the visual aspect and 3D to bring out the solution. Created and updated by ustwo gaming studios on January 23, 2020, it is currently in version 1.3.15, compatible with Android 4.4 and suitable for the whole family, has a score of 4.8 on Google Play, and you will be able to download apk and completely free data here on your favorite Android Apk Data site. Monument Valley Features 2 version 1.3.15 - Original Experience: All New Stories set in the Monument Valley universe, so it's not important to play the last name to immerse yourself in Monument Valley 2. - Manual Puzzle: Enjoy delicious levels filled with deceptive puzzles that reflect the reception. Use new collaborations to explore the relationship between the characters. - The modern visual segment: the creative segment of fun is motivated by a mixed combination of design styles, workshops and individual influences, which become remarkable geometric structures. - Flags sound: allow yourself to be distracted The melodic structure is a melodic miracle without paragons, in particular to go with Ro and her little girl in every progression of her way. Description: Monument Valley is a puzzle video game that tries to decipher a series of puzzles and puzzles to advance to the next level. The award-winning game at one time for innovation and beautiful visual design with a great soundtrack. The graphics is a mixture of 2D with 3D, the visual perspective has an isometric view that in will fool your eyes (but there is a trick). Its gameplay is perfect, the controls are very easy to understand once you adapt to the theme of this puzzle application. In Monument Valley you have to manage extravagant structures and lead a quiet princess through an exceptional universe of splendor. Monument Valley can be said to be an impressive excursion for fabulous structures and extravagant geometries. Leading Princess Ida quietly confuses the sights, find hidden paths, discover optical dreams and the bubbling of bewildered Raven Men. Monument Valley was created by or updated by the ustwo game studios as of July 22, 2019, is currently in version 2.7.12, compatible with Android 4.1 and suitable for the whole family, has a score of 4.8 on Google Play, and you will be able to download apk and completely free data here on your favorite Android Apk Data site. Monument Valley Features Version 2.7.12 - Snapshot of Greatness. In addition, the benefits of something for this are not limited. Brilliant plan. It was with me as a fantasy that I would not want to lose sight of. - Monument Valley hits with your serenity. Each screen is a

masterpiece. It's amazingly wonderful. Devours for faculties. - Monument Valley is the most exquisite entertainment I've ever played. Inspired by a moderate three-dimensional contour, optical fantasies and royal residences and sanctuaries around the world. Each milestone is an extraordinary and artisanal world to explore. - Turn and drag to form the world and guide the God to it. It is planned so that everyone can evaluate it and finish it. The world reacts to your activity with an incredible and energetic sound state. It is advisable to use headphones. Monument Valley 2.7.12 What's new in this issue: - Rebuilt game to work on 32-bit and 64-bit architecture. - Fixed some bugs that affect players running Android on their devices. - Fixed storage permit, which is requested only when you try to save a screenshot. - Fixed problem where some players couldn't disable our adorable audio, why would you want to do it anyway? - Fixed a problem that prevented the overall viewing of screenshots for some oreo players on their devices.
