Another word for agreeing with someone

I don't think the food here agrees with me, whether it's in favor of (my health or appearance) or appropriate, as defined in the sense of a suit. Synonym suits I don't think a sitting life will suit me perfectly. I think he is suitable for writing beautifully, as he is worthy of a poet. For an example of synonyms, see the 2016 © Harper Collins Publishers. All rights are reserved. Suitable for or suitable for additional synonym definitions in the sense of befit, he writes beautifully to suit the poet. Synonyms are used to agree with or oppose the intervention of the person whose inserts are used to indicate that you agree with, approve, or understand adverbs, appropriate, suitable, or apparently used to accept the price or to accept someone's answer to the insertion of your question used to say that you provide informal OK. It is used to say that you agree to the insertion of a proposal or instruction to be made: to indicate that you accept something, agree with what someone has just said, or agree with the adverb used in saying that your feelings or wishes are the same as their inserted English, or to agree with someone or something verb to agree with the verb of someone or something Accept a suggestion or order verb that has the same opinion as someone else's phrasal verb, or agree with someone who agrees with the phrase of someone or something, or accept someone else's thoughts This page is about the words and phrases we use to agree or disagree with someone in English, such as making the same decision phrase to have the same opinion as the phrase we agree with or disagree with, and the way other people think and behave. In my opinion I would like to express my opinion.how I see it. If you want my honest opinion. If you ask me . What is your idea of asking opinion? Do you agree? I couldn't agree with you more. That's so true. That's true. (slang) tell me about it! You're absolutely right. Yes that's right. That's exactly how I feel. Exactly. Unfortunately, I agree with James. I have to stand by my dad in this one. There's no doubt about it. (I agree with the negative statement) I'm different too. (weak) I think so / I think so. You've got a point there. I was just going to say it. I don't think so to express a disagreement. (Strong) There is no such thing. I'm afraid I'm against it. (Strong) I'm totally against it. I'm sorry, but I can't agree with you. (Strong) I would say the exact opposite.Necessarily. That's not necessarily true. This is not always the case. No, I'm not so sure about that. Can I add something here suspended? I'm sorry (after accidentally interrupting someone), but please go ahead. Or sorry, you were saying. You didn't end me (after the interruption). Let's solve the discussion. Let's drop it. I think we have to agree to disagree. (Irony) No matter what you say. / If you say so. 20 Topics for Debate Debates
