Balancing conceptual and applied coverage of all aspects of service management and operation, Service Management has maintained its position as a market leader throughout the five previous editions. This is the most comprehensive and widely used introduction to service operations in the market, written by one of the highest authorities on this subject, and it is designed to develop the skills of students in both strategic and operational matters related to services. The seventh edition also offers up-to-date information on Six-Sigma and RFID, as well as recent developments in other important industry topics. Textual coverage covers both the qualitative and quantitative aspects of service management and provides flexibility in courses, offering different approaches to the study of maintenance operations. The new edition is designed to develop the skills of students in both strategic and operational matters related to services. Delivery Associate will place the order on your doorstep and step back to keep the 2-meter distance. Customer signatures are not required at the time of delivery. To pay for delivery orders, we recommend paying with a credit card/debit card/netbanking via a paid link sent via SMS at the time of delivery. To pay in cash, place the cash on top of the delivery box and step back. Amazon directly manages the delivery of this product. Tracking the delivery of an order to your doorstep is available. Display 1-20 Start your review of operations management service John appreciated it really liked January 22, 2015 Kal noted it as read October 21, 2012 Ruby-lyn marked it as a reading september 13, 2014 Eka tagged him as a k-read January 22, 2016 Sanju noted it as a k-read April 16, 2017 Arvind noted it as a k-read April 20, 2017 Alajar noted it as a k-read May 03, 2020 Ikhvan noted it as a k-read October 14, 2020 Students, we are committed to providing you with high quality course solutions with the support of excellent service and a team that cares about your success.
