Students here are making below-average annual academic improvement... ... and they're not going to be able to do that. More have above-average annual academic improvement... ... and they're not going to be able to do that. More have above-average annual academic improvement... ... and they're not going to be able to do that. above average on state tests. College success award 2020 Students at this school make less academic progress set when they were last year compared to similar students at this school make smaller gains than similar students at other schools. Parental council grades at this school are above the state average. Because test results in some states are so low, some students at this school still don't perform at the parent council parent level Notice something missing or confusing? Disadvantaged students at this school have a high level of equality, as are other students in the state, but this school may still have achievement gaps. Parent Board Student Scores by Percentil College Readiness and Undervalued Students All other students at the school for the environment successfully added to the Comparison School Summary List Lago Vista High School is located at 5185 LOHMAN's FORD RD, LAGO VISTA, TX, 78645-4405.
