Dantdm riddle school 7

This is a transcript of the 2006 video game Riddle School. JonBro presents Phil Eggtree: *grooooooan...* I sat here for two hours straight listening to addition reality. All because I killed someone. I'm in a special class. I don't even have a smart teacher. Now I am as free as a bird in a bird cage. Well, that's it. I'll be out of this school. Mister Kahm: What's 131 +42 yet? I forgot. Eggtree threads: **grooooooan*. [Phil Eggtree breaks his head in his office] Riddle S-c-h-o-o-l Special Class for Phil Eggtree's Insane: The teacher may not be smart, but he knows when I open this door. Eggtree Wire: No lead here! Thread Egtree: While at school, even the windows look dangerous. Phil Egtree: That window is no different from his twins. Phil Eggtree: You can say this low-school budget just when you look at this. Phil Eggtree: That's the professor, Mister Kahm.Li asked me a lot of questions because he doesn't know any of the answers. Thread Egtree: That's it! Hey, teacher! Could I pencil my pencil? Mr. Kahm: Only one person at a time! Hallway 1 Phil Eggtree:Now that was sharp! (I can't believe I said that.) Phil Egtree: School doors are closed during school hours. I bet the principals have the keys. I had yesterday, and then I was sent to that class..... only the last time I was with a teacher. It's going to be harder this time. I don't even have a dirty pass. There's a talking guard right before you reach the end of the room. Well, it's all down the room and past the teachers' room. If I can do it, I'm as good as free! [an image of Phil Eggtree outside of school is shown, then credits rolls] Now go read a good book. Phil Egtree:5 for prez. 5 is a popular guy at this school. It's because of his 5 VOTE shirts. Phil Egtree: For whom don't be tolerated..... she rings when the school finishes.... which he does not. All the time. Need me to say more? Phil Eggtree: It's the EXIT sign. It represents smoother freedom! Hallway 2 [the water source is turned on] [the closing water source] [the locker opens, reveals a Hall Pass+, which can be found] Phil Eggtree: It's a clock. It's also a reminder that I wasted my entire time in school. That explains why I never pay attention to clock again. Classroom Phil Eggtree: This Phred, my best friend and member of the most bored class. Thread Egtree: That's Zack, who's still very cold. He has no problem freeze the water source. Phil Eggtree: That's smiley. It's the only school that loves to learn. The smiley is also the one I've made fun of to be in this special class. Phil Egtree: That's my teacher, Miss Cophy, who's drinking more coffee than anyone else I know. She ends up teaching lessons two hours early in a hard-to-understand voice jitte. Phil Egtree: This is a cartoon by someone named JonBro. Phil Egtree: Look out there reminds me I'm stranded here. Phil Egtree:Wow, duster feathers in a dust. [Feather duster get] found] 3 Phil Eggtree: You don't want to know what happened there. Close Janitor to 808: What are you doing? GET FROM MY BELLET .808: You get my pen duster! Keep up the change. [one dollar gain] 808:I've been looking for all other schools for this. The playdog birds are needed to rot. Well, I gave you a dollar. Don't waste it on the wood. Phil Eggtree: Uh, Bucket, you slide something. Phil Eggtree: This is a mop. It works like a towel. Wire Egtree: I eat one of those for lunch yesterday. Phil Eggtree: That's January. He's the father of 5, 808. Toilet boy Phil Eggtree: As crazy as it sounds, these are sins. Just look at the sleepy design! I'd have thought twice about escaping school if it all was fresh-looking. Phil Eggtree: A large, fat battery clothed the left hose and cooked up all that water. Phil Egtree: This is the only guy to stall ever used, mostly for graffiti. Phil Egtree: That's the untact place that is in perfect condition and currently on display. Hallway 5 Richy: Hey, it's me, Richy, the dirty guard. Got a messy pass? cause if you don't, you can't pass. Phil Eggtree: Yes, I do, so please come out of my way. Phil Eggtree: Listen, if I went in there, you'd hear screaming and trickery, not just to anyone in there, but from me. Hallway 6 Phil Eggtree: This is a poster I've made in the house because they have rare number of lockers at that school. This school has 7 students and more than 50 lockers! SANITARIAN NAME! Not surprisingly that this school is so low budget. It was expected to be popular. Hallway 7 Chubb Munch: Ooooh... gimme a cookie. Thread Egtree: Take the dollar, thanks. [Chubb jump on the floor grabbing the money] Phil Egtree: That's Chubb. No one I know is who's as fat and hungry as he is. Yesterday I heard something about him swallowing his fridge. Phil Eggtree: Principal's Office Passes Lounge Teacher's Headmaster, but I can't get in. The chubb is off the road. Thread Egtree: I think I'm safe. The last fire we ever did was when Mrs. Cophy's coffee combined spontaneously. Teacher Teacher: What are you doing here?! Teachers:And why is that? [go back to the original diagonal box] Teachers: Oh, jokes are always fun! Go right on. [Phil Eggtree joined the principal, Mr. Cwessschyn office and managed to face keys of the doors]: How beautiful your cuts are to drop by. Beer, then! Teacher: YOU DON'T WANT YOUR TEACHER ON THE PHONE. DO YOU? GET OUT! [Phil Eggtree returns back to hallway 7] Hallway 8 Phil Eggtree:Set out of school through that door out of the question.cafeteria Phil Egtree: That's Greg, the least hungry and most avid student of the school. Phil Egtree: This is a diagram in the cafeteria, reminding us all that he looks clean. Phil Egtree: The cookie-selling car is unfortunately broken. Phil Egtree: Someone managed to reverse the blueberry wet-pairing up there. Phil Egtree: That's green, shootout without acknowledging. Thread Egtree: That Is There Smiley Smudge.Sa how I made fun of the smiley -- and mustade. High School TDPut an end to the unfair school hierarchy, stop... Nit Eight at the box office who was abducted by aliens?! | Riddle School 5 #1 IN THE GIRL'S BATHROOM?! | Riddle School 7 Transfer 2 Nit Eight is a semi-minor character from Riddle Transfer 2. He guards the door in Quiz's office and the player, Phil Egtree, needs to get him away from the door to progress. She mainly appeared in DantDM video secrets in THE GIRL'S BATHROOM?! | Riddle School 7 Transfer 2, but his name first appeared in ABDUCTED BY ABDUCTED?! | Riddle School 5 #1. Contents [shown] Eight Eight's Nit Development Design in Riddle Transfer 2 became because the creator, Jonochrome, wanted a puzzle involving weakening someone by putting something in their eyes. He later called Nit Eight to add more chronology to the series. Saliva leader Nit Eight was originally going to get into the male bathroom after getting soap in his eyes, however, the idea was crushed so they were unnecessary and that the colors of the restroom canonically not work. Jonochrome also thought to have him wash his eyes in the water source, however, it was also broken because it would be difficult to animate. Nit Biology Eight appears to be an alien, however, its appearance is very different from other aliens seen in the Riddle School series. He has one arm, one leg, one eye, and lacks eyes. [2] The Riddle School 5 Story notes that the Oswald Monster only eats live meat written by Nit Eight. Riddle Transfer 2 Nit Eight appeared in the Box Office door of the guardianship room of Quiz's office, as well as his caretaker's eyes. Phil Eggtree gives Nit Eight a book of math and replaces what's in his eye drops with soap, causing him to burn his eyes and run away, making Quiz's desk inaccessible.
