you are struggling with internet access or do not have a device, the first step is to contact the administrative staff of your child's school site. They'll walk you through the process. There are several requests and we are working diligently to overcome all of them. We appreciate your patience. If you already have a

answers. What would you like to see next?/What would you like to see next? continue?

Chromebook, but it doesn't work properly, we have a Chromebook swap form that you can fill in. We also have multiple requests for Chromebooks, please beware of us as we process requests. If you need help solving hardware issues on your district-issued device, call our IT hotline at (562)801-8001. In this survey, we are interested in learning more about your thoughts towards our weekly Ed-Tech videos and the Parents Virtual Academy. Their answers are anonymous and will be used to develop mainstream resources, supports, and the Parents Academy. As such, please be as honest as possible – there are no correct or incorrect
