Publishers Activision Developers Neversoft Release Date 2007 Genre Action Game rating 4.6/550 ratings Guitar Hero III: Legends of Rock is a rhythm musical game, the third main part of the Guitar Hero series, and the fourth overall title. The game was published by Activision and distributed by RedOctane. It is the first game in the series to be developed by Neversoft following the acquisition of RedOctane by Activision and the purchase of Harmonix by MTV Games, the previous development studio of the series. We can have the game available for more than one platform. Guitar Hero III: Legends of Rock is currently available on these platforms: Windows (2007) Guitar_Hero_III_Legends_of_Rock_Win_ISO_EN.zip (3.26GB) How to play on Windows Download and Extract Guitar_Hero_III_Legends_of_Rock_Win_ISO_EN.zip Mount OGD_Guitar_Hero_III_Legends_of_Rock.iso and drag all iso files to any GHMenu Run folder.exe Select Install game and wait for the game to finish installing Select Patch v1.3 to fix the game for v1.3 Select No-CD Crack to apply NoCD to the game When your installation is complete, run Setup.exe to start the game Additional files, patches and fixes After downloading the files it is recommended that you watch the No1mann guide to continue on your installation , any error could corrupt the files and you would have to uninstall all this and start a new installation, keep that in mind. No1mann: Guide how to install the game, this does not need replacement, the video is very well done and explained, very easy to follow. And if you want a one installation, do not jump ahead in the video and pay attention to what it does on it. SiNeeka (Me): How to install custom music as quickly and simply as possible. Guitar Hero III: Legends of Rock is a fast reaction entertainment genre. With more than 71 songs from famous bands such as The Rolling Stone, Black Sabbath, Kiss, Alice Cooper, Pearl Jam, Scorpions, Guns n' Roses, Aerosmith, Metallica, Iron Maiden, Slayer... Make the game more interesting with every crazy rock note. With Career mode, which will be led by alternate drawings, the story tells as a street guitarist, performing only in small places, partying. You will finish your guitars brilliantly so you can go to higher levels by getting a manager calling himself Lou. And gradually you will become famous. You will have to face the devil as your boss, and you must enter the guitar competition to save your band and gradually achieve the title of Guitar Legend. Your mission in each game - there are all 5 parts - is to successfully perform at least 3 songs to be able to advance to the following sections. You may be asked (encore) to add some songs by your fans, which will help you unlock the last song of this game (5th song). The graphics for Guitar Hero III: Legends of Rock are shown in more detail and vividly in the characters, along with their movement. The interface is taken care of, so it is very easy to use and dot it. And the special is that the cartoon graphics are very good and beautiful will make you more interesting. Guitar Hero III: Legends of Rock focuses heavily on sound quality. Such a sound music game should be brought up, so if you need loud sound, you have to equip yourself with a good sound system to be able to express the sound quality of the game. Guitar Hero III: Legends of Rock is a game worth enjoying music and entertainment throughout the game. Rock musicians full of personality, full of strength, will help you reduce stress at work as well as study. Episode.
