When you come to our place to attend a free trial, and if you want to maintain this class space as a new member, you can formalize your registration in the Help Center. | Back to top | To all adults, either parents, grandparents, uncle and aunt or carers and have children up to 5 years old, and they want to know the Gymboree program. | Back to top | It is an opportunity for adults to come and visit our location, to meet our experience teachers' team and to get to know the class environment and education program corresponding to the level of the child. | Back to top | Each class of a particular program is performed once a week at the recorded time. Classes of all the main programs have the duration of 45 minutes excluding art class lasting 50 minutes. You can sign up for more than one application. | Back to top | Our core belief is that children are developed at their own pace through physical, mental and creative activities with the involvement and support of adults. All our programs continue to incorporate new elements to help parents understand how their child is evolving and provide them with the tools to support each crucial stage of development. | Back to top | Yes. Other relatives who wish to participate can sit in the entrance hall outside the room where the class takes place provided that their presence does not cause any distraction to the child. | Back to top | With over 35 years of experience, Gymboree's programs are designed by child development experts to help give children learn by playing, our classes have age-appropriate activities that encourage children to solve problems and think creatively. And because adults attend classes as well, you will be an integral part of your child's learning and joy. To read more, click here . | Back to top | Start by finding the place that's best for you.
