## Maya angelou graduation questions

After reading Graduation maya Angelou, consider these questions in your post. Remember: you get four points from your original post and two points for each commenting on other student posts (Total ten points). Answer the following two questions by referring to text posts and reponses: 1. How does Angelou meet the reader's expectations of what completion of the night and the preparation it includes? 2. Explain how Angelou surprises the reader. 3. Draw conclusions from Donleavy's speech and how his audience felt afterwards. 4. How does Angelou use that he is involved in background information and events in his story to manipulate the reader's emotions? Why do you think he's doing this? 5. Discuss Angelou's ability to do what you just did with your compare/contrast: how did he take the general assumption and reveal reality? - organize the information you found using soapstone as a tool to write requirements for your rhetorical analysis-Angelous uses narration and other rhetorical techniques in his argument - a claim that says what rhetorical devices and author uses, and what purpose-usually rhetorical analysis is at least two claims-author's last name- rhetorical verb-techniques-purpose-S: Angelou / child, angry, victim, powerless-O: graduation, important verstanus dirty-A: anyone who is willing to hear, whites- P: share feelings, claim equality-S: figurative language- Tone: excited, angry - specific- imagery is a good-too-emotional create requirement based on the completion of maya angeloustep 1. \_\_\_\_ the requirement based on this excerpt maya angeloustep 2 termination. Angelou \_\_\_\_ the claim based on this excerpt from the completion of maya angelousteap 3. Angelou employs \_\_\_\_ a plea based on this excerpt from the completion of maya angeloustep 4. Angelou works rhetorical questions \_\_\_\_ to make circumstantian accusations against those he feels were responsible for the injustices he faced to create a claim based on this excerpt from the termination of maya angelouclaim: Angelou is working on rhetorical issues to make circumstantian accusations against those he feels were responsible for the injustices he faced on step5. quote excerpts from the text that support this claim to find the best description of the author's goal to complete step 4 to create a requirement for the completion of maya angelouAngelous contains cataloging \_\_\_\_ highlight the lack of opportunity that existed among African-Americans at that time, the claim is based on an excerpt of what you next choose the best way to start claiming the completion of maya Angelou to find the best The author's technique to complete step 3 to create a claimthe author contains a requirement: Angelou uses descriptive imagery to show that his school was separate, but not equally after you create this claim, what are you doing next? you should find parts of the text as opposed to white school and rusty hoops support choose the best way to start claim extract completion maya angelou find the best description author technique completed step 3 create a requirement author includes choose the best way to start a claim extract from the completion maya angelou find the best description author aim to finish step 4 create a plea extract of the completion maya angelouAngelou uses descriptive imagery \_\_\_\_ show your school was separate , but not an equal requirement: the author creates a vitriolic tone to convey a dangerous power structure that existed to destroy a small child's self-esteem. after creating this statement, what are you going to do next? find a text that supports the requirement to find the best description author techniques complete step 3 create a claim author juxtaposes juxtaposes
