Arbor village apartments sc

We care about your safety Your safety is our highest priority, which is why we have improved our customer experience on the site as we move towards reopening. • We are implementing the use of electrostatic hand sprayers held daily in our leasing offices and indoor facilities before opening for the day. • Increase the cleanliness and hygiene of our offices, model and vacant units and facilities. • Providing PPE courtesy (masks, hand sanitizer, etc.) for our residents and prospects of entering the leasing office. • Installed touchless hand disinfection stations in all offices. • As we slowly reopen our resident facilities, according to local government guidelines, we open with reduced capacity. Pool decks and outdoor facilities will have spaced seating areas to accommodate social distance, as well as offering virtual tours, easy and convenient online rental payments & maintenance requests for our residents and prospects. • Please take your part to take precautions around our community by wiping down common equipment and amenity area, such as pool stool, barbecues, fitness equipment, etc. Looking for a new home? We look forward to showing you our communities through virtual tour and helping you find the perfect home. You can browse, choose, and apply to one of our apartments from the comfort of your home. Do you have any questions? Our offices are practically open and available to help you or to answer any questions you may have. Please feel free to call, send an email, send text messages or communicate with us via social networks or your access/phone app. CoStar Verified® CoStar Verified This listing has been verified through the CoStar listing verification process, which combines internal fraud screening and detection technology.
