In fact, this is the main requirement that the government agency asks first. It serves as a resume where your important details are written, like your personal information, the school where you graduated, your work experience, your training, and your eligibility. It can be downloaded on the CSC website or you can download it here. When printing a mold, you should specify the size of the paper at 8.5 x 14 inches. But since the pandemic began, government agencies have preferred applicants to hand it over to their email address to reduce the risk of transmission. So you can also fill it directly on your computer and save it afterwards. It is very important to fill out the form completely and accurately. In fact, gov't offices are strict when it comes to incomplete forms of PDS. This may be the reason for your disqualification.
