It's not, but JesusMoses was. Stage fear David brought a stone to the sword fight You picked out 12 outsiders that no one would have chosen and You changed the worldIt's supposed to be, so when I hear that devil talking to me, saying who do you think you are? I say I'm just trivial I'm trying to tell everyone who saved my soul since you saved me, you gave my heart a song to sing for The World to see Nobody, but Jesus I live for the world to see Nobody, but Jesus Couch let me go down, down in history, another blood-bought loyal family member, and if they all forget my name. It suits me to live for the world to see only Jesus, so let me down, Down, into history (go to history)As another blood-bought loyal family member (That's all I want to be)And if they all forget my name, well, it suits me I live for the world to see only Jesus, because I'm just nobody (anyone)I'm trying to tell everyone who saved my soulEverever I gave my heart a song to sing For The World But Jesus I live for the world to see Nobody, but Jesus I live for the world to see Nobody, but Jesus Why have you ever chosen meI've always been a mystery All my life I'm told I belong at the end of the line with all the other not-quite-rights, but it turns out that we're the ones you've been looking for all this time because I'm nothing, I'm trying to tell everyone who's anyone.
