## Switched at christmas

The need to restart your router regularly is an unfortunate reality, but if you don't want to pay for high-level hardware, it may be a frequent task. One redditor makes the task a little easier with the Christmas remote light switch:Dear Lifehacker, my router sucks. My connection goes wonky once every few days, and I have to ... Read on since furtherIt seems like I have to restart my router at least once a day (it's some rubbish that Comcast forged me to use). I get tired of waking up all the time to start naturally I get one of the remote switches you use for the Christmas lights on 12/26. Now I can restart my crappy router from the comfort of my couch! If you already have one, these tricks won't cost you. If you're not about \$20 for a set of threes. Some may feel better at just saving \$20 and putting it towards a better router, but no router will escape the trouble of restarting indefinitely. If you are often burdened by the need for reboot, the switch can save you a lot of trouble. Have a censored wireless router? Connect it to a cheap Christmas Light Remote Control so you don't have to always wake up to restart | Reddit Ads - Continue Reading Under Ca/Serv: 10 Results: 1 Cook: 3 hours 0 minutes Total Time: 4 hours 0 minutes 4 minutes 4 large egg whites 1/4 tsp.
