There's even the ability to join up to six different players logged in simultaneously during online battles via mobile phone, or up to 12 via WiFi. The gameplay is super handy: A virtual joystick that will help you move your character is on the left side of the screen and sighting stick to the right. Your weapon shoots automatically until you point to your target. So all you have to do is worry about the goal. Each scene is quite open, there is plenty of room for you to explore. In fact, you'll have enough room to move around and run away from enemies when needed. There are also tons of weapons and grenades in each level. Doodle Army 2: Mini Militia is a multiplayer action game that offers you fun battles, although the visuals are pretty basic. The best part about this game is that you can play with up to 12 people using the same WiFi network. 5.3.3 42.61MB Doodle Army 2 : Mini Militia 5.3.2 42.18MB Doodle Army 2 : Mini Militia 5.3.1 42.14MB Doodle Army 8 2 : Mini Militia 5.3.0 43.5MB Doodle Army 2 : Mini Militia 5.2.1 40 .76MB Doodle Army 2 : Mini Militia 5.2.0 38. 69MB Doodle Army 2 : Mini Militia 5.2.0 38.69MB Doodle Army 2 : Mini Militia 5.1.0 35.31MB Doodle Army 2 : Mini Militia 5. 0.6 35.1MB Doodle Army 2 : Mini Militia 5.0.6 35.1MB Doodle Army 2 : Mini Militia 5.0.5 34.9MB Doodle Army 2 : Mini Militia 5.0.4 96.99MB Doodle Army 2 : Mini Militia 4.3.5 59.34MB Doodle Army 2 : Mini Militia 4.3.3 5 3.67MB Doodle Army 2 : Mini Militia 4.3.1 1 153.62MB Doodle Army 2 : Mini Militia 4.2.8 50.29MB Doodle Army 2 : Mini Militia 4.2.8 50.29 Doodle Army 2 : Mini Militia 4.2.8 50.29MB Doodle Army 22 . : Mini militias 4.2.7 50.29MB Doodle Army 2 : Mini militia 4.2.7 50.29MB Doodle Army 2 : Mini-militia Doodle Army 2: Mini militias of the latest APK 5.3.3 (304) have a nuance of combat game between soldiers and a robot, then it wrapped in a unique design, as proposed. This does not mean that the game will be boring, as there is an online feature to deal with other players. For a solo player mode, the player can play offline with 2 mode options that are training and survival. Army 2 : Mini Militia File Info Last Updated: September 19, 2020 Developer: Appsomniacs LLC Version: 5.3.3 (304) Requirement: Android Android and up file size: 42.6 MB Downloaded: 19 Sep 2020 at 10:32 AM GMT-07 MD5: d08dfb3200e1234219c67c21f7c8b296 SHA1: db6e779c7111f0eaa9028acb94df9c5d08d275 Available on Google Play: Set from Google Play Doodle Army 2 : Mini-militia app review with training mode, The beginner can play with the tutorial. For a beginner, managing a soldier for the first time is quite difficult since the soldiers have developed to be able to fly. As an iron man, a mini soldier can be flown with missiles underfoot. In addition to speed control, players must control the weapon. The gameplay is actually simple. The main is similar to the general combat game, which is to fight against enemies. Doodle Army 2: Mini Militia for Android player will be provided by groups of troops or enemies. They must win the game by inseding enemies, accompanied by one guide. To win the game, the weapon can be seen in the store. There are two weapons to use that are pistol and bomb or grenade. There is also a laser to help drawing the ball on the enemies. Also, when a player manages to overcome an enemy with a bazooka, he can get a gun for free because he usually fell as soon as the enemy died. Here's how players can change their weapons. The gameplay is quite simple and can be considered a classic. With the avatar function, players can choose their soldier with multiple available choices. The characters are unique, ranging from an ordinary soldier to Santa Claus and zombies. They can also make their own custom features for avatar editing. The interface is just fair and similar to another game with 2D animation. There is nothing special for graphics, but for fun, this shooter game looks cute and addicting too. Pros: Simple gameplay Many mode options offered by character options are different, unique and cute cons: This is true for graphics with 2D animation For a beginner, it's pretty hard to control the character while shooting enemies, as it flies. Beginner Tips related to the inability to get a higher score and rank, need time for beginners to read the best tips and tricks in order to improve skills. First, to minimize damage, bend over near the grenade. Then, in close combat, immediately leave the grenade. Don't let your enemies take our point by making suicide. The red arrow will give a sign when the enemy makes a closer step to you. Suicide with a bomb after consideration if guns and health are not enough to survive. Use the melee button (hand) during the flight to go faster, then it will give traction. There are always 2 guns in your hand and shoot well in the bushes because sometimes enemies hide behind it too.
