In on exercise on the pretext of learning English Position and the arrangement of exercise Prepositions daily life exercises learning the basics of the English dictionary and how to use dictionaries Click on the following link to the online English dictionary - English lesson Easy Pace Learning Forum - Cram Up - Grammar - Prepositions Prepositions Prepositions Prepositions Prepositions are short words (on, in, c) that usually face nouns (sometimes also in front of gerund). Even advanced English learners find the excuses difficult, as translation 1:1 is usually not possible. One assumption in your native language may have several translations depending on the situation. There are hardly any rules when to use what excuses. The only way to know the excuses is looking for them in the dictionary, read a lot in English (literature) and study useful phrases by heart (research tips). The following table contains rules for some of the most commonly used excuses in English: Prepositions - Time Prepositions - Place (Position and Direction) Other important prepositions Exercises on excuses Check our page on the prepositions of location and direction, and then try the grammar exercises below!
