Download Latitude Current By Shubhangi Swarup ePub novel for free. Latitude current - it's an emotional roller coaster story that unfolds nonlineately. Secrets are revealed almost to the end. The novel is filled with secrets, betrayal, loss, death, forgiveness, redemption, with exihilying love. Description of the latitude of the current by Shubhangi Swarup ePub Latitude Current is a story of love, loss, grief, and indestructible connection. This novel was written by Shubhangi Swarup. It's a great story about how life doesn't always work the way we want, but if we want to, we can still make it a great life. It's a good compelling story, engaging, and easy to read. It's the perfect holiday novel; You can pick it up and get straight back into the story. Latitude's novel Toki is a pleasant story that moves forward at a good pace. It's not too fast, but at a pace that keeps the reader engaged in waiting to discover the result. It has a satisfactory end, which is a little predictable, but binds all the loose ends. Some of the male characters are too good to be true, but that doesn't spoil any part of the story. The author switches between two periods of time easily and easily, which is not always the case in these kinds of books. Each storyline had a wealth that was only strengthened by comparison and contrast with the other. The book certainly brought all the feelings and elements of all the characters. Throughout the novel, the story is smooth and generally moves forward well. After all, if you're looking for something you've read similar to this before, and don't mind the other, then it will satisfy you. If you're looking for something more than just an average read that you want to engage with, then this is also something you enjoy. A broad, lyrical debut about love and longing between humanity and the land itself, by the new major Talent from India's mesmerizing work of literature, the breadth of longing follows the interconnected lives of the characters in search of true intimacy. The novel sweeps across India, from the island, to the valley, city and snowy desert to tell a love story of epic proportions. We follow a scientist who studies trees and a clairvoyant who speaks to them; a geologist working to end the barren wars over the glacier; eighty-year-old lovers; a mother struggles to free her revolutionary son; a one-goe who seeks human companionship; a turtle that turns first into a boat and then into a woman; and the ghost of the evaporated ocean is as restless as the continents. Linking them all together is a vision of life as vast as the universe itself. A young writer who has won one of the most prestigious prizes in India for this novel, Shubhangi Swarup is the narrator of extraordinary talent and insight. Richly creative and wryly shrewd, the breadth of current offers a soaring view of humanity: our beauty and ugliness, our ability to harm and love each other, and our mysterious and sacred relationship with nature.
