Nnmc blackboard learn

System Messages Help ticket to the remote learning help desk (Tuesday, November 3, 2020) Please log in to Blackboard with your Eagle ID and PW If you have any problems signing in to Blackboard, please click Send support ticket below. Need more help? Contact EagleTech on August eagle.tech@nnmc.edu, 2013 Northern offers over 50 undergraduate, associate and certificate programs in STEM (science, technology, engineering & mathematics); Nurses and health sciences; liberal arts and humanities; Arts, Film "Media"; Business administration; Teacher training and technical transactions. College in northern Mexico is the most affordable 4-year college in the Southwestern United States. Choose us for our value, our quality degree and continuing educational programs in different fields of learning, as well as our experienced teacher. We provide students with unique opportunities for academic, personal and professional growths, small class sizes, personalized attention and strong practical experiences from day one. The Northern Foundation remains committed to promoting leadership, promoting fairness and developing resources and philanthropy in the Espanola Valley and surrounding rural areas. Over the past twenty years, we have given \$1.3 million to support over 1,250 NNMC students.
