Abdullah ibn al-Mubarak (d. 181H), one of the outstanding teachers of Imam al-Bukhari, said: Inad (chain) is part of religion: if it were not for Assad, the one who would like to say everything he likes ... And you may be the people who invite you to good, and prescribe correct behavior and prohibit obscenity. These are the ones who succeed. (Koran 3:104) Visit the site External download site IIPH (International Islamic Publishing House) Fiqh nas-Sunna vol 5: Hajj and Umrah Are you looking for a book that explains the basic practices of Islam in a comprehensive, detailed manner? This series of translations provides valuable ... The book by Fickh Sunna, written by Saeed Sabik, is one of the books covered by the Islamic Ummah. The book fiqh contains about three thousand hadith and has been written for about 20 years. Therefore, this book is recognized by all scientists of the world as the best jurisprudence of our time. In translation, this book fiqh sunnah consists of 4 volumes, namely: Volume 1 of this book explores the problems of thaharah and its appearance, obligatory prayer and Sunna, and some problems zakat. Volume 2 discusses the issue of the sunset, fasting, corpses and issues related to it, hajj and marriage. Volume 3 discusses polygamous wisdom, marriage (guardianship and position, husband-wife's rights and responsibilities, residence, prenuptial agreement, valima and so on), and various issues related to punishment. And the last volume exfoliates from jihad, war, jizya, ganim, sumpa kafarat, law of purchase, usury, loans, mortgages, mukharats, debt and so on. This book of jurisprudence examines the problems of Islamic jurisprudence, based on evidence from the Koran, actual Sunna and Muslim scholars of the Ijma. Sunna fiqh is believed to give an actual form of Islamic fiqh. Thus, reading it, many people are optimistic about enlightenment. Muslims can cling to the Koran and Sunna and eliminate dissent, sect fanatics, and remove superstitions that say the door ijihad was closed. To this end, in 1994, thanks to this book, Saeed Sabik was awarded the King Faisal Prize in Islamic Studies.Many scholars praised the book. According to most of them, the book is believed to have fulfilled the Islamic library's view of the Sunna, which is legally affiliated with the judicial sect. Thus, most intellectuals who have no commitment to a particular sect or fanatical to it so enthusiastically read it. That is, nothing but because as a reference book, it makes it very easy for them to refer to every dead end in some jurispeint issues. Evidence of limited scholars of the book Fiqh SunnahIn his testimony DR Yusuf qhordowi conveyed, Sayid sabid does not accentuate the sect, and does not Sect. The choice is simple, successfully introducing fiqh for the ummat is very easy. Fiqh sunnah, presented to the public who need simple guidelines that can answer the question of masarakat. Fiqh Sunnah presents a familiar view of fiqh in the community. So if you want to find a solution to this problem, you can easily find it in this book. Get the book fiqh sunnah volume1 for free. Harry MOD Features: Free download completely secure compatibility with all versions of Android Garry's Mod APK file is very easy to install Autoupdate Auto-sync with the game No need to root your Android device! Describing Garry's Mod Apk as an indie game is an exciting adventure that can propel one player to a God-level state. Mainly based on physics, it is a kind of sandbox game where the user can create, develop, or destroy his or her surroundings in the game. It can also be helmed as some form of game creator or CGS system. The game does not provide gamers with any specific purpose or mission. This is a free world game for gamers. The only thing the game provides is some tools and an open field to allow the imagination to lose. Players can create movable property and machines or scenarios for their entertainment. And if someone is not good at building, then gamers can do various strange things with silly characters that can be generated. Garry's Mod also boasts a unique community of egr, which is the source of numerous content and cool mods, which adds to the popularity of the already known game. Revolution in the world of computer games, this game boasts very minimal system that it should be reproduced. So you can enjoy it on any computer and can be the creator of the beautiful world that you want and want to be out, practically though. The gameplay of Garry's Mod Apk begins with the player standing in the middle of an open area, which is ready to tinker with the feat of the user. The gameplay provides a beautiful three-dimensional experience for gamers. Since created in such a way that it can be replicated in low PC specifications too, there are not very detailed or ultra-realistic visuals involved. But this is a small sacrifice developers had to make to make it available to every kind of player, one of the reasons why it is so popular. The player can play through a first-person perspective (FPP) or a third-person perspective (TPP). While this can be described as a game with a bit of outdated graphics that attracts the attention of gamers are its mechanisms with limitless possibilities. Players can spawn countless unsigable characters, rag dolls and props and can interact with these items in a variety of ways. Now any strange fantasy of a harbour man can be fulfilled at the touch of a button. The game provides the level of health of the gamer in the bottom left corner of the display screen. Players are given a list of items that he or she can generate in the game at will. These items can be used to create a variety of moving objects such as a car, rocket, soda machine gun, or any other object that doesn't even exist right now. In addition, it does not end only with the creation, but can also be used by its creator. You can also like our last grandma Maud. Sound mechanics are close to the real world, which compensates for the quality of the game's graphics. There is almost no background music while playing, although there are sounds of objects that have spawned. When spawning a wooden object, it makes a sound that an object will make in the real world or when using a gun, the sound of a recharge, or the metallic sound of bullets getting fires you can notice. Features Wide range of features is a major aspect of Garry's Mod. One of the best examples of the Sandbox game genre, the game provides a variety of features for the user that can be used as possible. Some of the best features that the game boasts are the never-before-seen open world experience, which is not limited to any traditional full-character genre, but helps in the development of the mind. Forms the user's creative boundaries on a new, wider field. Originally designed for online gaming, you can also enjoy offline. There are thousands of players playing the game online at every moment, and thus he encourages the gamer to share his ideas with players from all over the world and interact with them. The extensive and large community is a big plus for any game. The community provides unique fashion and more than 300,000 models and maps. Interactive such as Trouble in Terrorist Town, Prop Hunt, Wiremod, Spacebuild, Elevator: Source or DarkRP are some of the best mods of fashions gaming community right now. The game provides the gamer with various tools or cannons to form a barren world provided. Weapons like Physics Gun that can pick up, rotate or freeze any object or Tool Gun that is a multi-purpose gun and can be used to weld or deter props or change the miki of ragdolls available. There are also normal guns available that can be used to destroy items. One of the biggest advantages to the game is that it can be played with minimal system settings on PCs and is available for gaming in Microsoft Windows, Mac OS X, and Linux.
