[1] It is available at Hogwarts Library, or for sale at Flourish and Blotts bookstore for two Galleons. [2] Known content In a chapter talks about the first basic law of magic: Tamper with the deepest mysteries - the source of life, the essence of the self - only if prepared for consequences of the most extreme and dangerous kind. History During the 1991-1992 school year, a Gryffindor student lost her/his copy of Magical Theory on the Hogwarts grounds and posted a notice of his return on the Gryffindor pasteboard. Harry Potter found it near Hagrid's Hut and returned it to the student, receiving a Chocolate Frog Card depicting Mopsus for his troubles. [3] Hermione Granger owned it and normally stored it in her school client.
