Refrigerator handle covers bed bath and beyond

About the company (bed bath and beyond Inc.) Bed Bath & Beyond Inc. and subsidiaries (the Company) is an omnichannel retailer that makes it easier for our customers to feel at home. The company sells a wide assortment of household goods and home furnishings. The company also provides a variety of textile products, services and other goods to institutional customers in hospitality, cruise line, health and other industries. In addition, the company is a partner of a joint venture that operates retail stores in Mexico under the name bed bath & beyond. Bed Bath & Beyond operates websites in bedbathandbeyond.com, bedbathandbeyond.ca. About Google Cloud Google Cloud provides organizations with leading infrastructure, platform capabilities and industry solutions. We offer enterprise-grade cloud solutions that leverage Google's cutting-edge technology to help businesses operate more efficiently and adapt to changing needs, giving customers a foundation for the future. Customers from more than 150 countries turn to Google Cloud as their trusted partner to solve their most critical business problems. About Deloitte Please www.deloitte.com/us/about for a detailed description of our legal structure. Forward-Looking Statements This press release contains forward-looking statements, including but not limited to the company's progress and anticipated progress toward its long-term goals and the success of its relationship with Google Cloud. Many of these forward-looking statements can be identified by using words such as can, expect, anticipate, approximate, estimate, assume, continue, model, project, plan, goal, and similar words and phrases, although the absence of such words does not necessarily mean that statements are not forward-looking. The Company's actual results and future financial condition may differ materially from those expressed in these forward-looking statements as a result of many factors. These factors include, without limitation: general economic conditions, including the housing market, a challenging global macroeconomic environment and related changes in the retail environment; risks associated with COVID-19 and government responses to it, including its impacts on the Company's businesses on demand and operation, as well as on the operation of the Company's suppliers and other business partners, and the effectiveness of the Company's actions taken in response to these risks; consumer preferences, spending habits and adoption of new technologies; demographics and other macroeconomic factors that may affect the level of expenditure of the types of goods sold by the Company; civil unrest and terrorist acts; unusual weather patterns and natural disasters; existing and potential competitors across all channels; price pressures; liquidity; the ability to achieve cost savings, and not exceeding the expected costs, associated with organizational changes and investments, including the Company's strategic restructuring programme; the ability to attract and retain qualified employees in all areas of the organization; the cost of work, merchandise and other costs and expenses; possible supply chain disruptions due to trade restrictions, and other factors such as natural disasters, such as the pandemic, including the COVID-19 pandemic, political instability, labor disturbances, product calls, financial or operational instability of suppliers or carriers, and other items; the ability to find suitable locations at acceptable employment costs and other conditions to support the Company's plans for new stores; the ability to establish and maintain profitably the right combination of digital and physical presence in the markets it serves; ability to assess and implement technologies in support of the development of their omnichannel capabilities; the ability to adjust effectively and thus adjust the Company's plans to the rapidly changing commercial and economic environment, even in response to the COVID-19 pandemic; uncertainty in financial markets; volatility in the Company's common stock price and its effect, and the effect of other factors, including the COVID-19 pandemic, on the Company's capital allocation strategy; risks associated with the ability to achieve a successful result for your business concepts and otherwise achieve your business strategies; the impact of intangible assets and other impairments; disruptions in the company's information technology systems, including but not limited to security breaches of systems that protect information from consumers and employees or other types of cybercrime or cybersecurity attacks; reputational risk arising from challenges to compliance with various laws, regulations or standards of the Company or a third party supplier of products or services, including those related to work, health, security, privacy or the environment; reputational risk arising from the performance of goods or third-party service providers in direct home delivery or product assembly for customers; changes in legal, regulatory and legal requirements, including without limitation the proposed changes affecting international trade; changes to, or new tax laws or interpretation of existing tax laws; developments in existing litigation, claims or evaluations; changes in, or new, accounting standards; and currency exchange rate fluctuations. Except as required by law, the Company does not assume obligacion actualizar les seves declaraciones a futur.
